MEMORANDUM

TO: Employers of Certified Teachers

FROM: South Dakota Board of Regents

SUBJECT: Reduced Tuition Program for Teachers

South Dakota Codified Law (§ 13-55-23 through § 13-55-28) establishes a reduced tuition program for K-12 teachers and certified educators; those who meet identified criteria will benefit from a 50% reduction in tuition for courses – both undergraduate and graduate – completed at South Dakota public universities. For state-support courses (typically those courses taught face-to-face on a main campus), approved participants will be assessed 50% of tuition plus 100% of required fees. For off-campus courses (commonly those courses that involve distance learning or face-to-face instruction at a learning center or off-campus location), approved participants will receive a reduction that is equal to 50% of state resident rate.

To apply for this reduced tuition program, interested teachers and instructors are required to complete form 250-97 (see attached), secure designated signatures, and submit to the appropriate university at the point of registration for the current term. Please note that individuals who register for courses during the regular academic year (fall and spring) must be currently employed with a teaching contract; those who register for courses during the summer must have a signed teaching contract for the succeeding school year. Further, participation is limited; it is contingent upon available space. Conferred eligibility is term-specific; consequently, the attendant form must be completed and submitted for each term of participation.

Submission of the form (250-97) is required under SDCL § 13-55-24; information will be used by the university to determine eligibility. We ask that you reproduce this two-page form and make it readily available to all teachers employed in your school district. If questions arise, please direct them to the South Dakota Board of Regents (605-773-3455). Thank you for your continued support of education in our state!
