South Dakota Board of Regents

John W. Bastian, President, Belle Fourche, holds a bachelor's degree in political science from South Dakota State University and a J.D. degree from Hamline University School of Law. He was a circuit court judge for the Fourth Judicial Circuit for 20 years and retired in 2013. Prior to that service, he spent 10 years in the attorney general's office as an appellate attorney and prosecutor. Bastian is also a veteran of the United States Air Force. He serves part-time with the South Dakota Unified Judicial System and is assigned to preside over cases in the Fourth, Sixth and Seventh Judicial Circuits. Appointed by Governor Daugaard in 2014 to complete the term of the late Randy Morris, his second term will expire in 2022.

Pam Roberts, Vice President, Pierre, holds a bachelor's degree in commercial economics from South Dakota State University. She retired in 2013 after a career in senior leadership roles, including Secretary of Labor, Commissioner of Personnel, and Chief of Operations, in the administrations of governors Janklow, Mickelson, Miller, Rounds, and Daugaard. Roberts and her husband, Clay, operate their family's ranch in Stanley and Lyman counties. Appointed by Governor Daugaard in 2016, her term will expire in 2022.

Jim Thares, Secretary, Aberdeen, is the founder and CEO of Primrose Retirement Communities, an Aberdeen company founded in 1989 that currently operates 35 senior living communities in 16 states. He has also worked in hotel development and as a certified public accountant. Thares is a graduate of Moorhead State University, where he earned his degree in accounting. Appointed by Governor Daugaard in 2017, his term will expire in 2023.

Brock Brown, Lake Norden, is enrolled in undergraduate studies in the history and political science programs at South Dakota State University, which he plans to complete in May 2022. Throughout Brown's time at SDSU he has been involved as the president of Residence Hall Association, Students' Association senator, and executive board member. Appointed by Governor Noem in 2020, his term will expire in 2022.

Tony Venhuizen, Sioux Falls, holds a bachelor's degree from South Dakota State University and a law degree from the University of South Dakota. He previously served as the Board of Regents' student member in 2003-2008, appointed three times by Gov. Mike Rounds. Prior to his current employment with Standard Trust Company, Venhuizen served as chief of staff in the administrations of Gov. Kristi Noem and Gov. Dennis Daugaard. As an education policy adviser in the Governor's Office, Venhuizen chaired the Council on Higher Education Policy Goals, Performance, and Accountability and the Open Government Task Force. He also served on the Blue Ribbon Task Force and the Dakota Corps scholarship board. Appointed by Gov. Noem in 2021, his term will expire in 2027.

2

Jeff Partridge, Rapid City, is president of Partridge Financial Services. He served on the Rapid City Common Council from 2003-05, including a term as the council's vice president. Partridge was on the legislature's budget-setting Joint Appropriations Committee for six years, while serving terms in the House of Representatives from 2015-17 and in the Senate from 2017-21. He is a graduate of Augustana University. Appointed by Gov. Noem in 2021, his term will expire in 2027. (In November 2021, the Governor's Office announced Regent Partridge would serve as interim commissioner of the South Dakota Bureau of Finance and Management. On November 23, 2021, Regent Partridge took a temporary leave of absence from the Board of Regents.)

Joan Wink, Howes, holds a Ph.D. in curriculum and instruction from Texas A&M University, 1991; two masters' degrees from the University of Arizona (Spanish, 1981; Educational Foundations/Bilingual, 1985); and a Spanish and English undergraduate degree from Yankton College, 1966. She is a professor emerita of California State University, Stanislaus. Since retirement in 2007, she has been an adjunct professor at Black Hills State University, South Dakota State University, and in the Global Education Masters Program of The College of New Jersey in Mallorca, Spain. She retired from these positions in spring 2017. Appointed by Governor Daugaard in 2017, her term will expire in 2023.
Tim Rave, Baltic, is president and CEO of the South Dakota Association of Healthcare Organizations. He served in both chambers of the South Dakota Legislature, first in the House of Representatives from 2003-11, where he became Speaker of the House, and later in the Senate from 2011-15, where he was the majority leader. Rave attended South Dakota State University and graduated from the University of Sioux Falls. Appointed by Gov. Noem in 2021, his term will expire in 2027.

Barb Stork, Dakota Dunes, founded and, from 1989 to 2016, served as CEO of Midwest Provisions Inc., a multi-million-dollar contract food service company serving large corporations throughout the Midwest from South Dakota to Texas. She also served as chair of the Sanford Health System Board of Trustees and is a past chairwoman of the Sioux Falls Area Chamber of Commerce. A native of Ute, Iowa, Stork earned a bachelor's degree in business administration from West Texas A&M University in Canyon, Texas. Appointed by Governor Noem in 2019, her term will expire in 2025.

Brian Maher, Executive Director and CEO, Pierre, was appointed June 24, 2020, to lead South Dakota's six public universities and two special schools as the Board of Regents' executive director and chief executive officer. Dr. Maher's experience in educational administration includes 21 years as a superintendent of K-12 school systems. He came to the Board of Regents after five years as superintendent of the Sioux Falls School District, South Dakota's largest public school district serving more than 23,000 students. He was superintendent of schools in two Nebraska districts, Kearney and Centennial, from 1999 to 2015. A Nebraska native, he also worked as a school principal and began his career in education teaching mathematics, computer science, and physics. He was honored as Nebraska's superintendent of the year in 2015. He holds a doctorate in educational administration from the University of Nebraska and a master's degree, also in educational administration, from the University of Nebraska at Omaha. His bachelor's degree in mathematics education is from Midland Lutheran College (now Midland University) in Fremont, Neb.

BLACK HILLS STATE UNIVERSITY

ABOUT BHSU

Black Hills State University provides associate and baccalaureate degree programs in the liberal arts and sciences, education (SDCL 13-59-1), business, and technology. BHSU offers master's degree programs in education, business services, and science. The BHSU Center for Indian Studies (SDCL 13-59-2.1) provides opportunities to research and study the history, culture, and language of the Indians of North America and South Dakota. BHSU supports the Center of Advancement in Mathematics and Science Education.

José-Marie Griffiths, President

ABOUT DSU

Dakota State University provides 23 technology-centric degrees in computer science, cyber operations, cyber security, game design, cyber leadership & intelligence, business, data analytics, digital media, health analytics, math and science, and education. The education programs prepare elementary, secondary, and special education teachers with expertise in the use of technology in teaching and learning (SDCL 13-59-2.2). DSU also provides Ph.D. programs in Cyber Operations, Cyber Defense, Computer Science and Information Systems. In addition, DSU provides master's degrees in several cyber sciences and computer science, as well as business, health information, and education technology. The National Security Agency and the U.S. Department of Homeland Security have designated Dakota State as Centers of Academic Excellence in cyber defense education, cyber defense research, and cyber operations. Home to the Madison Cyber Labs, the university houses several cyber research institutes as well as the Center for the Advancement of Health Information Technology and the K-12 Data Center. The Paulson Cyber Incubator and Entrepreneurial Center provides on- and off-campus entrepreneurs with valuable resources to build businesses.

SOUTH DAKOTA SCHOOL OF MINES & TECHNOLOGY

SOUTH DAKOTA MINES

◆ Rapid City

James Rankin, President

ABOUT SDSM&T

The South Dakota School of Mines & Technology (SD Mines) is committed to excellence in science and engineering academics and research, and to developing the next generation of leaders and problem-solvers. Founded in 1885 to provide instruction in the region's primary industry, mining, today the South Dakota School of Mines & Technology has evolved into one of the leading science and engineering universities in the nation, offering bachelor's, master's and doctoral degrees. SD Mines prides itself on the high return on investment our students receive. Recent graduates had a 97 percent placement rate into graduate schools, including medical school, or careers, earning an average starting salary of $66,156.

SOUTH DAKOTA STATE UNIVERSITY

ABOUT SDSU

South Dakota State University (SDSU) is the state's 1862 land-grant university (SDCL 13-58-1). SDSU provides associate, baccalaureate, master's, and Ph.D. degree programs in agriculture, computer science, design, education and human sciences, engineering, liberal arts, nursing, science, and visual and performing arts. Professional degrees are offered in pharmacy (Pharm.D.) and in nursing practice (DNP). SDSU conducts competitive strategic research, scholarly and creative activities, and transfers knowledge to the citizens of South Dakota through SDSU Extension, the Technology Transfer Office, and other entities. The university is the lead institution among five U.S. Sun Grant institutions and is an Association of Public and Land Grant Universities (APLU) designated Innovation and Economic Prosperity University.

South Dakota School for the Blind and Visually Impaired

SD School for the Blind
and Visually Impaired

Aberdeen ◆

The South Dakota School for the Blind and Visually Impaired provides a full academic program, kindergarten through high school, for students on the Aberdeen campus. Outreach specialists provide consultation to parents and teachers of blind and visually impaired children throughout the state. Emphasis is given to adapting teaching materials and teaching methods to meet the needs of students with visual impairments. The curriculum blends academic coursework and the "expanded core curriculum," which teaches practical skills to enable students to attain maximum independence. The expanded core curriculum includes orientation and mobility skills for independent travel, Braille, activities of daily living, low vision utilization, use of specialized equipment, social and recreational skills, and preparation for employment.

Dan Trefz,
Superintendent
Students Served by SDSBVI   On Campus 27   Through Outreach 223

South Dakota School for the Deaf

SDSD
South Dakota School for the Deaf

Sioux Falls ◆

The South Dakota School for the Deaf (SDSD) Outreach and Audiological programs are the statewide educational resource for children who are deaf or hard of hearing. Outreach specialists are partners in educational success and provide collaborative consultation and support for children birth through high school graduation. SDSD Outreach offers both early intervention and school-based supports and services for children who are deaf or hard of hearing in their home and school environments. SDSD provides student evaluations and audiological screenings and evaluations at no cost to families, school districts, and daycares. Audiology services are provided on-site at clinics in Sioux Falls and Rapid City and off-site using the SDSD mobile hearing lab.

Kim Wadsworth,
Superintendent

Students Served by SDSD Through Outreach 560

Minimum Admission Requirements

All baccalaureate or general studies students under twenty-four (24) years of age, including students transferring with fewer than twenty-four (24) credit hours, must meet the following minimum high school course requirements with an average grade of "C"(2.0 on a 4.0 scale):

1. Four years of English - courses with major emphasis upon grammar, composition, or literary analysis; one year of debate instruction may be included to meet this requirement.
2. Three years of advanced mathematics -Algebra, geometry, trigonometry or other advanced mathematics including accelerated or honors mathematics (algebra) provided at the 8th grade level; not included are arithmetic, business, consumer or general mathematics or other similar courses.
3. Three years of laboratory science - courses in biology, chemistry, or physics in which at least one (1) regular laboratory period is scheduled each week. Accelerated or honors science (biology, physics or chemistry) provided in the 8th grade shall be accepted. Qualifying physical science courses (with lab) will be decided on a case-by-case basis.
4. Three years of social science - history, economics, sociology, geography, government—including U.S. and South Dakota, American Problems, etc.
5. One year of fine arts – art, theater, or music appreciation, analysis or performance.

Students who have not completed the minimum course requirements may demonstrate equivalent competency by attaining the following ACT (American College Testing) or Advanced Placement Examination scores:

English: ACT English sub-test score of 18 or above OR AP Language/Composition or Literature/Composition score of 3 or above.

Mathematics: ACT Mathematics sub-test score of 20 or above OR AP Calculus AB or Calculus BC score of 3 or above.

Science: ACT Science sub-test score of 17 or above OR AP Biology, Chemistry, Physics B score of 3 or above.

Social Science: ACT Social Studies/Reading sub-test score of 17 or above OR AP Microeconomics, Macroeconomics Comparative or United States Government and Policies, European or United States History, or Psychology score of 3 or above.

Fine Arts: AP History of Art, Studio Art 9 drawing or general portfolio or Music Theory score of 3 or above.

In addition, students must meet at least ONE of the following criteria to be granted admission:

1. ACT (American College Testing) composite score of 18 or above.
2. Rank in the top 60% of high school graduating class.
3. High school grade point average (GPA) of at least 2.6 on a 4.0 scale.

Proactive Admissions

Students who earn a Level 3 or higher on the English Language Arts and Mathematics Smarter Balanced Assessments or an ACT composite score of 18 or higher are proactively admitted.

Mathematics and English Placement

For English all incoming freshmen are placed into their initial courses according to their ACT Scores. For mathematics, placement is determined using Math Index scores drawing upon both ACT and student GPA. Students without valid ACT scores or a high school GPA are required to take placement examinations.

Exception Group

Each university may admit a group of baccalaureate students, limited in size to 3% of the previous year's freshmen class, at the discretion of the university.

Transfers to Baccalaureate Program

Students under twenty-four (24) years of age transferring into baccalaureate degree programs with fewer than 24 transfer credit hours must meet baccalaureate degree admissions requirements. Students with 24 or more transfer credit hours with a GPA of at least 2.0 may transfer at the discretion of the university.

Non-Traditional Students

Non-traditional students who are at least twenty-four (24) years of age or older and who have not previously attended college will be admitted in good standing if they have graduated from high school or have completed the GED with specified scores.

Certificate and Associate Degree Programs

Students seeking admission to certificate and associate degree programs shall meet baccalaureate admissions requirements or demonstrate equivalency as provided above.

Note: The minimum requirements listed for admissions are condensed from actual Board Policy.

2021	3,539	3,219	3,340	2,418	11,465	9,464	33,445	-0.36%

Enrollments are as of fall census date. On-campus enrollments are supported by appropriations from the general fund and on-campus tuition and includes all nursing enrollments. Off-campus courses are supported by tuition paid at the higher off-campus tuition rate and includes all remedial enrollments. Students who enrolled in both state-support and self-support courses are included in each headcount section. Students enrolled in more than one university appear in each university's headcount. The total section is unduplicated by school – a student enrolled in both state-support and self-support courses is counted only once for each school. Thus, the total headcount is not the sum of the university headcount because each student is counted only once. Students enrolled in zero credit program sustaining courses are included because they were using services related to a degree in progress.

Enrollments are as of fall census date and are rounded to whole numbers. Semester full-time equivalent (FTE) is based on 15 credit hours for undergraduates, 12 credit hours for master's and doctoral degrees, 15 credits for law, and 19 credits for medicine. FTE total may not be exact due to rounding. On-campus FTE include all nursing enrollments. Off-campus FTE include all remedial enrollments.

Source: Regents Information Systems

* In Fall 2020 operational and instructional changes were implemented in response to the COVID-19 pandemic (SARS-CoV-2) Centers for Disease Control guidelines. As a result of reduced classroom size and space limitations there was a shift in the distribution of enrollments in state-support and self-support courses.

High School Dual Credit

During the 2014 session, the Legislature supported Governor Daugaard's budget request to provide base funding to offer reduced tuition dual credit courses in South Dakota through the "High School Dual Credit Program." Students have the opportunity to enroll in coursework that meets the System General Education requirements at all six Regental institutions at the rate of $48.33 per credit hour. These courses are offered face-to-face at the on-campus locations and via distance, as well as at the university center locations. Starting with the Fall 2014 semester, current high school juniors and seniors enrolled at public, private and tribal high schools whose schools have signed an MOU with the South Dakota Department of Education (DOE) are eligible to enroll.

High School Dual Credit Course Enrollments by Semester
High School Dual Credit Unduplicated Headcount by Semester Type
High School Dual Credit Course Enrollments by Semester & Campus

Campus	Spring 2021	Summer 2021	Fall 2021	2021 Total
BHSU	638	86	662	1,386
DSU	283	41	356	680

Many high school students are capable of university-level academic work. Completing university-level courses while still in high school may allow students to earn their degrees sooner and thus reduce the cost of higher education. For many high school students, a university course may be the most efficient use of their time. The students depicted in this table above reflect a mixture of Concurrent and High School Dual Credit (HSDC) enrollments.

*The Didactic Program in Dietetics is accredited and monitored through a three-year revolving pass rate for program quality. Students are musts complete the dietetic internship and pass the RDN exam for eligibility to practice.

** The graduate Nutrition and Dietetics Internship pass rate is measured as a one-year pass rate (graduates who pass the registration exam within one year of first attempt) on the CDR credentialing exam for Registered Dietitian Nutritionists, with monitoring as a revolving three-year pass rate for program quality.

The pass rates for the PharmD, Respiratory Care and Medical Lab Science are first-time pass rates. All students passed after taking the exam at a later date. The Respiratory Care national data for 2021 is being investigated further. If this needs to be updated, the Provost's Office will be notified.

Note: The number tested in a year is NOT usually the same as the number of graduates. Some graduates do not test immediately. The table includes only programs where passing the examination is required to work in the field. Years (calendar, state fiscal, federal fiscal) and months of examination vary due to differences across testing agencies. National pass rates are not available for all fields. Data reported to the Board of Regents by the universities unless otherwise noted.

(1) July examinations – first time test takers.
(2) American Academy of Nurse Practitioners.
(3) American Nurse Credentialing Center

Placement Outcomes of Regental Graduates

Examining the placement outcomes of Regental degree completers is vital for understanding the public university system's contribution to the state's human capital. The Board of Regents annually examines the extent to which Regental degree completers remain in South Dakota following graduation, either as a worker or as a continuing student. Data for this project come from three main sources: the South Dakota Board of Regents (SDBOR), the South Dakota Department of Labor and Regulation (SDDLR), and the National Student Clearinghouse (NSC). In the initial step of the placement search, SDDLR employment data systems are queried to determine the first-year job placement outcomes of all degree majors (in the defined cohort) identified by SDBOR. Next, the same student list is submitted to the NSC to gather information on students enrolled in collegiate coursework after graduation.

The table below indicates that 52.7 percent (n=3,510) of FY2019 graduates were placed in South Dakota, either by employment or by continued enrollment. Among those FY2019 completers matriculating from South Dakota, the in-state placement rate was 71.55 percent; among all other completers, this figure was 25.3 percent. Approximately 70 percent or more of in-state students graduating from a public university remain in South Dakota after graduation, either to work or to pursue additional postsecondary education. In addition, approximately 25 percent of out-of-state students remain in South Dakota.

Placement in SD by State of Origin

FY19

State of Origin	From SD	Not from SD	Total
Employed/Enrolled in SD	71.55%	25.3%	52.7%
	2,822	688	3,510
Not Placed in SD	28.45%	74.7%	47.3%
	1,122	2,030	3,152
Total (n)	3,944	2,718	6,662

Table does not account for degree completers who are self-employed, are employed by the federal government (including armed services) or are enrolled in postsecondary institutions outside South Dakota.

As noted above, students matriculating from South Dakota and graduating in FY2019 produced a first-year in-state placement rate of 71.55 percent. The chart below provides comparable placement rates for odd numbered years for the last decade. As suggested by these data, the university system has been consistently successful at keeping SD graduates in the state following degree completion.

First-Year In-State Placement of Graduates Originally from SD
In-State Placement of Regental Teacher Education Graduates

Each year, a joint effort is undertaken by SDBOR and SDDOE to examine the extent to which graduates from regental undergraduate teacher education programs are hired by in-state school districts following graduation. A roster of all undergraduate teacher education degree completers since is matched against SDDOE annual beginning-of-year employment records. This process allows SDBOR research staff to analyze the in-state placement outcomes of university system graduates for every year following graduation.

It is important to note that the placement rates cited here refer only to the proportion of teacher education graduates who are hired by in-state school districts. Placement rates do not include graduates who may have been hired by an out-of-state school district, hired by an educational organization other than a school district, hired outside the field of education, or entered graduate school. "Placement rate" should not be interpreted as an equivalent to "employment rate."

A total of 4,337 students completed an undergraduate degree in one of the regental teacher education programs from FY2011 through FY2019. Matched data from SDDOE indicate that approximately half (58.1 percent) of these graduates ultimately were placed in an in-state school district following graduation. Placement rates were even higher (72.9 percent) among graduates who originally matriculated from South Dakota. The chart below examines first-year placements by cohort and indicates that graduates have been increasingly successful in securing in-state positions immediately following college graduation.

SDBOR System: First-Year In-State Placement Rates by Cohort
Also of interest is the extent to which these graduates remain in the workforce once hired. The chart below displays retention data for five cohorts of graduates (FY2011-FY2015) who were placed during the initial year of placement eligibility. Across all cohorts examined, roughly 89.1 percent of teachers returned for a second year of teaching. By the fourth year after initial placement, over three-quarters of graduates still were employed in in-state school districts.

Statewide Retention of Graduates Placed in First Year
Note: These figues refer to graduates from FY2011 - FY2015.

Governor's Research Center Program

In FY 2005 the state legislature began making an annual appropriation to fund state supported applied research centers designed to strengthen South Dakota's research competitiveness and generate commercial activity derived from research. The Research and Commercialization Council (RCC), comprised of five public members appointed by the Governor and four members serving by virtue of their positions, is charged with oversight and selection of the research centers. The program provides funding to research centers for 5-6 years to advance the following goals: 1) develop focused research centers that are competitive for external research funding; 2) develop and license inventions; and 3) support existing and spin off start-up companies. **The results of the evaluation of the state's investment of just under $57.1M in the GRC Program since its inception in FY05 through FY21 follows.**

A Snapshot of the Success

Centers Funded:	**18** [1]
Funding Leverage (ROI):	**6:1**
Students Trained:	**1,385**
Innovations Disclosed:	**205**
Patent Filings:	**81**
Patents Issued:	**23**
License Agreements:	**26**

Center Research Funding: $362,908,668

Pie chart values: $22,973,245; $57,063,913; $100,521,358; $182,350,152

Legend: ■ Federal ■ Private ■ RCC ■ Other State

Economic Development

The **24 startup companies** affiliated with the research centers have:

- Created **218** jobs in South Dakota
- Received **32** federal small business research (SBIR) awards, totaling **$8,771,559**
- Raised in excess of **$23,000,000** in private equity

Broader Impact on University Research Statewide

Research Centers' Economic Impact
FY05-FY21 Investment & Return

(in millions of dollars)
The state investment of $57.1 million in Governor Research Centers since FY05 has resulted in a total of $362.9 million in federal, state, and private research investments awarded to the centers. The estimated economic impact of these investments to the state of South Dakota is $522.6 million, which assumes 60 percent of the dollars remain in the state.

Grants and Contracts

The universities receive state, federal, and private grants to conduct research and to carry out activities to improve the education provided to students. The universities also enter into contracts with state, federal, and private entities to provide services. Research and contracts benefit students, increase knowledge, enhance the reputation of the universities, and bring resources into the state.

FY21 Expenditures from Grants and Contracts

	State	Federal	Private	Total
BHSU	$491,715	$1,733,313	$81,378	$2,306,407

Notes: *All rates are effective beginning with the 2021 summer term.*

SD National Guard members may be eligible for a benefit of 50% of the in-state resident tuition after federal tuition benefits are applied, but the

(1) *The mandatory fees are added to the on-campus tuition cost for a total cost per credit hour. Discipline fees may also apply to certain courses*

(2) *States participating in the Western Undergraduate Exchange program: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana,*

(3) *The South Dakota Advantage Program, starting summer 2019, is for new freshmen and transfers from Colorado, Iowa, Montana, Nebraska,*

(4) *Starting summer 2015, participation in the program is limited to new freshmen or first-time transfers attending the same university from which one of their*

(5) *These rates are the total per credit hour cost. No additional discipline fees will be assessed.Delivery fees may apply.*

(6) *This rate applies to students from WICHE states enrolled in BHSU: M.S. Integrative Genomics and M.S. Sustainability; DSU: M.S. Health Informatics; SDSM&T: Nanoscience and Nanoengineering, Computational Sciences and Robotics, Materials Engineering and Science, Atmospheric and Environmental Sciences and Paleontology; SDSU: Chemistry Education Specialization and Athletic Training; USD: Addiction Studies, Counseling M.A., Ed.S., or Ph.D. and Mental Health Counseling Certificate, MBA Business Analytics Specialization, MBA Health Services Administration Specialization, MBA Marketing Specialization, MBA Operations and Supply Chain Management Specialization, and MPA Professional Accountancy. The programs may limit the number of WRGP seats awarded to new students.The Western Regional Graduate Program (WRGP) allows master's, graduate certificate, and Ph.D. students who are residents of the WICHE member states to enroll in high-quality programs at 60 public institutions outside of their home state and pay resident tuition. For a list of South Dakota's programs offered through WRGP, please visit this site: http://wrgp.wiche.edu*

(7) *Allied Health includes Nursing, Dental Hygiene, Occupational Therapy, Physician Assistant Studies, Physical Therapy, HSC Paramedic*

(8) *Offered to qualified public high school students participating in dual credit courses taken in person or at the University Centers. $96.67 of the rate is provided by the SD Department of Education and applied towards the student's account.*

(9) *Rate started Fall 2021*

Board of Regents Educational Access and Student Success

The Board of Regents in their newest Strategic Plan have identified two important goals: 1) Access and 2) Academic Outcome, Student Success and Educational Attainment. These goal drive to the importance of expanding educational access for all South Dakotans while improving student outcomes. The strategies identified for these goals include but are not limited to 1) Educational awareness for FAFSA completion, 2) Increase enrollment strategies, 3) Identify enhanced policies for both traditional and non-traditional students, 4) Improve students success initiatives in both the academic and student services, and 5) Enhancement of academic initiatives.

Educational Appropriations per FTE
(Constant Adjusted Dollars)

	FY2015	FY2019	FY2020	1 Year % Change	5 Year % Change
Iowa	$6,767	$6,248	$6,608	5.8%	-2.3%
Minnesota	$7,012	$7,690	$8,055	4.7%	14.9%
Montana	$6,336	$6,277	$6,757	7.6%	6.6%
Nebraska	$9,751	$9,974	$10,485	5.1%	7.5%
North Dakota	$9,815	$8,425	$8,874	5.3%	-9.6%
South Dakota	$6,200	$6,660	$7,704	15.7%	24.3%
Wyoming	$18,185	$19,305	$21,802	12.9%	19.9%

1. Education appropriations are a measure of state and local support available for public higher education operating expenses and student financial aid, excluding appropriations for research, hospitals, and medical
2. The U.S. calculation does not include the District of Columbia. Data for the District of Columbia are not available prior to 2011.
3. The years 1980 and 2001 are included in this table because they are the starting points of the historical SHEF dataset and modern SHEF data collection, respectively.
4. Adjustment factors to arrive at constant dollar figures include Cost of Living Index (COLI), Enrollment Mix Index (EMI), and Higher Education Cost Adjustment (HECA). The COLI is not a measure of inflation over
5. Data includes information from two-year and four-year public institutions.

Maintenance and Repair Goal

The Board of Regents' goal is to increase the level of maintenance and repair funding for academic facilities at the six universities for maintenance so they are safe, efficient, comfortable, welcoming and appropriate for a contemporary education.   The goal is to reach an annual investment of 2% of the building replacement values.

Fiscal Year	Replacement Value	M&R Allocated	% of Building Replacement Value
FY11	$961,678,539	$8,778,712	0.9%
FY12	$981,477,527	$13,372,636	1.4%
FY13	$1,150,275,509	$15,917,778	1.4%
FY14	$1,193,278,983	$18,590,650	1.6%
FY15	$1,240,562,259	$20,068,760	1.6%
FY16	$1,295,827,545	$22,808,604	1.8%
FY17	$1,327,777,181	$26,543,348	2.0%
FY18	$1,383,744,066	$26,023,707	1.9%
FY19	$1,708,480,618	$26,491,071	1.6%
FY20	$1,799,912,113	$30,000,156	1.7%
FY21	$1,745,777,591	$28,421,550	1.6%
FY22	$1,766,321,194	$31,279,399	1.8%

* The methodology for tracking the number of buildings on each campus was modified beginning in FY22. In prior years, an addition to a building was counted as a new/separate building. Beginning in FY22, and forward, any building additions will be consolidated with the originally constructed facility as to the number of buildings on a campus. As a result of the new methodology, the number of buildings on a campus may have decreased from the prior year. Also, if a building is mixed use (both academic and revenue), the building is only counted once--where the majority of the use occurs--under the # of buildings column. For all other columns, the building is split based on academic and revenue percentage usage.

South Dakota School for the Blind & Visually Impaired (SDSBVI)

SDSBVI offers a quality teaching and learning environment and outreach services. Eleven classroom teachers and outreach vision consultants have a South Dakota teaching certificate with teacher of the visually impaired endorsement, four are completing their VI endorsement. In addition, nine teachers possess a master's degree. Three have national certification in orientation and mobility, one national certification in low vision, and one has a certificate of clinical competence in speech/language pathology. SBSBVI is recognized as a K-12 accredited school by the South Dakota Department of Education.

SDSBVI offers two educational environments. Students served on campus in Aberdeen during the school year receive an academic curriculum, including special education and the expanded core curriculum (skills of blindness). Public school students can attend SDSBVI during the summer to learn the specialized skills of blindness (ECC) they need for independence.

SDSBVI also serves children, parents, and teachers across South Dakota. Public school students with vision loss receive comprehensive functional vision, academic, cognitive, social/emotional, behavioral, and speech-language educational evaluations performed by expert staff. Transition evaluations are also available. After students complete evaluations, SDSBVI personnel provide assistance with instructional design using materials and methods to support children who are blind or visually impaired. Outreach vision consultants provide on-site public school assistance to students and home visits for families with young children. Services include staff training, technical assistance, educational material loans, and development of Individualized Family Service Plans (IFSP), Individualized Education Programs (IEP), or 504 Plans (as necessitated by Section 504 of the Rehabilitation Act of 1973).

South Dakota School for the Deaf (SDSD)

SDSD offers quality outreach and pediatric audiological services. SDSD has twelve outreach consultants and a service coordinator. Ten outreach staff hold South Dakota teaching certificates; two hold a certificate of clinical competence in speech/language pathology; twelve staff possess a master's degree; and eight have national certification in deaf education (CED). SDSD's two audiologists are licensed by the state of South Dakota, and certified by the American Speech-Hearing-Language Association (ASHA); one holds a master's degree, and one is a Doctor of Audiology. Four audiology technicians, an educational secretary, and a shared Director of Finance, Accountant, and Director of Human Resources also support the mission of SDSD.

SDSD offers a supported educational environment and serves children, parents, and teachers across South Dakota. Students who are deaf or hard of hearing can receive comprehensive educational evaluations administered by staff with expertise in language development and communication opportunities. Areas assessed include audiology, academic, cognitive, social/emotional, behavioral, speech-listening-language, and American Sign Language. Transition evaluations are also available. SDSD personnel provides assistance with instructional design using resources and methods designed to support children who are deaf or hard of hearing. Staff support communication choice of sign language and/or training to facilitate listening and spoken language and are knowledgeable about various hearing technologies, such as hearing aids, personal and classroom FM/DM systems, bone-anchored hearing aids (BAHA), and cochlear implants.

Outreach consultants provide early intervention, home-based services for children who are deaf or hard of hearing and their families. Services include information on hearing status, language development, use of interpreters, communication opportunities, and assistive technology. Outreach consultants also provide school-based support to students receiving educational services through any school program and provide training to school professionals working with students who are deaf or hard of hearing. Services also include technical assistance and participation in developing an appropriate Individualized Family Service Plan (IFSP), Individualized Education Program (IEP), or 504 Plan. Diagnostic audiological screening and evaluation are available for children from birth to high school graduation across South Dakota. Screening and evaluation locations include the Sioux Falls campus, the audiology clinic in Rapid City, and the Mobile Diagnostic Hearing Lab (available across South Dakota as scheduled).

Faculty Salary History

	SDSBVI FTE	SDSBVI Average Salary	SDSD FTE	SDSD Average Salary
2019-2020	15	$54,231	11	$54,644

SDSBVI and SDSD Enrollment
Campus and Outreach

The South Dakota School for the Blind and Visually Impaired and the South Dakota School for the Deaf have well-trained and experienced staff with expertise to meet the unique learning needs of children with vision or hearing loss. Using a general fund appropriation, services are provided to parents and school districts throughout the state at no charge for eligible students of ages birth through 21. These services provide the flexibility to serve children in their own communities or on the SDSBVI campus. Consultations, lending libraries, educational evaluations, and hearing screenings are valuable resources provided by the state of South Dakota to improve learning for children with vision loss or a varied hearing status.

Specialized Instructional Programs

The South Dakota School for the Blind and Visually Impaired provides a full on campus educational program during the regular school year and a summer program that emphasizes the skills of blindness (Expanded Core Curriculum) during June and July. The South Dakota School for the Deaf provides a summer enrichment program called Hands in Motion, the month of July for children ages 2 ½ through 5th grade.

NOTES:
