The University of South Dakota has submitted requests asking that the following programs be terminated (see Attachment II).

- Degree Program: American Indian Education Graduate Certificate

With the exception of INED 511, the coursework is unique to only this certificate and also may be a factor that inhibits enrollment.*
- Degree Programs: Minors in Biology Teaching, Chemistry, Earth Sciences Teaching, Economics Teacher, English Teaching, German Teaching, History, Mass Communication Teaching, Mathematics, Media & Journalism Teaching, Modern Foreign Languages (K-12) Teaching, Physical Science Teaching, Physics Teaching,

The program (DBS.BIO) has been replaced by a new specialization-bearing program (DBS.BIO-IBI; IBI = Integrative Biology).

**B. What is the plan for completion of the program by current students?**

Students previously enrolled in DBS.BIO have either graduated from this program or transfer to the newly created program (DBS.BIO-IBI).

#### 5. TERMINATION WITH ENROLLED STUDENTS

##### A. Provide a justification for terminating the program:

The certificate has had a pattern of low enrollment. Students in certificate programs do not receive financial aid which may be contributing to the lack of enrollment. With the exception of INED 511, the coursework is unique to only this certificate and also may be a factor that inhibits enrollment.

<sup>1</sup> Note: Certificates, specializations, and minors may only be terminated and not placed on inactive status due to limitations in the student information system.

<sup>2</sup> Note: An inactive program is a program a university has authority to offer, but the program is not admitting new students and has not formally terminated. A presumption exists that inactive status is a temporary status; universities review inactive programs periodically to determine the feasibility of reactivating or terminating the program. Programs can remain inactive for five (5) consecutive years at which time a university must terminate the program. A terminated program is a program for which a university ceases to have authority to offer. Reinstatement of a terminated program requires university and BOR approval through the prescribed new program approval processes.

**B. What is the plan for completion of the program by current students?**

There are two current students enrolled in the certificate program. The currently enrolled students will complete the remaining needed courses as independent studies. No new students will be accepted into the certificate program.

**C. What is the proposed date (day/month/year) program termination status begins (program status in the database changes to *Phasing Out* and last date a student may enroll in or declare the program)?**

December 7, 2021 the termination status begins. December 7, 2021 is the last date a student may enroll in the program.

**D. What is the last date (day/month/year) in which a student may enroll in the program (program status in the database changes to *Phase Out*)?**

December 7, 2021 is the last date a student may enroll in the program.

**E. What is the last term or date (day/month/year) by which a student can graduate from the program?**

Summer 2024

**F. What are the potential cost savings of terminating the program and what are the planned uses of the savings?**

There are no potential cost savings related to terminating the certificate.

**G. What are the resulting employee terminations and other possible implications including impact on other programs?**

Because the coursework was mostly unique to the certificate, there will be no impact on other programs. The faculty teaching the coursework will maintain a full teaching load and therefore, there will be no employee termination implication.

**6. TERMINATION WITHOUT ENROLLED STUDENTS**
