SUBJECT

Articulation Agreements – SDSU

CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 2:27](#) – Program to Program Articulation Agreements

BACKGROUND / DISCUSSION

BOR Policy 2:27 Program to Program Articulation Agreements establishes requirements for institutions seeking to develop program level agreements for interested transfer students. The policy further establishes the distinction between AA, AS, and AAS degrees which are classified as transferable, terminal, or non-transferable degrees (respectively). However, the AAS is “transferable when a specific degree articulation agreement exists between a given A.A.S. degree and a specific Baccalaureate degree.” Agreements established with regionally accredited institutions must be developed in conjunction with the faculty, following all institutional guidelines and are monitored as a function of the institutional program review process. Once approved, the agreements apply only at Regental institutions with equivalent programs.

IMPACT AND RECOMMENDATION

To comply with BOR Policy 2:27, South Dakota State University requests approval for the following articulation agreements:

- Students who have completed an AS degree in Applied Health Sciences at BHSU may apply credits toward the BS in Nursing – RN to B.S.N. program.
- Students who have completed their Associate degree in Nursing from Iowa Valley Community College may apply 46 nursing technical courses, 11 prerequisite credits, and up to 30 credits in qualifying general education courses toward the BS in Nursing – RN to B.S.N. program.
- Students who have completed an Associate degree in Nursing from Ridgewater College may apply 46 nursing technical courses, 11 prerequisite credits, and up to 30

VII. Termination

This agreement may be terminated by either party upon one year's written notice to the other. Student(s) enrolled in the program at that time shall be allowed to complete the program.

This Agreement depends upon the continued availability of appropriated funds and expenditure authority from the Legislature for this purpose. If for any reason the Legislature fails to appropriate or grant expenditure authority or funds become unavailable by operation of law or federal funds reductions, this Agreement will be terminated by either party. Termination for any of these reasons is not a default by either party nor does it give rise to a claim against either party.

This agreement will be reviewed at minimum every seven years from the effective date per South Dakota Board of Regents policy 2:27. This agreement may be reviewed as needed at the prompting of either party.

VIII. Effective Date of Agreement:

This agreement will take full effect upon approval from all parties and the South Dakota Board of Regents. This agreement applies to students who graduated from BHSU after fall 2014 or later with an AS in Applied Health Sciences degree, provided the student meets all other program requirements.
