

## Export Control Inventory Form

The South Dakota Board of Regents is committed to complying with U.S. Export Control laws and regulations. Export Controls apply to certain types of technology and equipment that may be used at universities and in university research. Identifying and locating technology and equipment, at our South Dakota institutions, that may be subject to export controls is vital for compliance. Please check any items below that you have (or use) within your department:

- Military or Defense Articles
- High Performance Computers
- Dual Use Technologies (capable of both military or commercial use)
- Encryption Technology
- Missile Technology
- Chemical or Biological Weapons
- Nuclear Technology
- Select Agents and Toxins
- Space Technology
- Medical Lasers
- N/A

\*Select N/A if no equipment or technology in your department fits in one of the above categories.
