

South Dakota Opportunity Scholarship

Approved High School and Dual Credit Coursework

Curriculum Requirements

To meet the curriculum requirements of the SD Opportunity Scholarship, all students must meet the below curriculum with a "C" or higher. Class of 2027 and beyond must have the specific coursework from the subcategories listed below to qualify for the scholarship. The following pages indicate the coursework that meets each individual content area subcategory for the SD Opportunity Scholarship and the Advanced Honors Endorsement graduation requirements.

Language Arts - 4 units

1.5 Writing	0.5 Speech / Debate
1.0 Literature	0.5 American Literature
0.5 Language Arts Elective	

Social Studies - 3 units

1.0 U.S. History	0.5 U.S. Government
0.5 World History	0.5 Geography
0.5 Social Studies Elective	

Mathematics - 4 units

1.0 Algebra I	1.0 Geometry
1.0 Algebra II	1.0 Advanced Math

Science - 4 units

1.0 Biology	1.0 Chemistry or Physics
1.0 Physical Science	1.0 Science Elective

(3 units must be a laboratory science)

World Language or Career and Technical Education - 2 units

Approved Career or Technical Education Coursework ¹
World Language (all units must be the same language)
Can be a combination of these two categories

Other Coursework

0.5 Personal Finance or Economics	0.5 Physical Education
1.0 Fine Arts	0.5 Health or Health Integration

Previous Cohorts are still able to qualify with the below curriculum

The coursework listed in the subcategories on the following pages will also meet these coursework requirements.

Language Arts - 4 units

Social Studies - 3 units

Mathematics - 4 units

Science - 4 units

World Language / Career and Technical Education ¹ - 2 units (world Language units must be the same language)
(Career and Technical Education must be DOE approved coursework)

Personal Finance / Economics - 0.5 unit

Fine Arts - 1 unit

Physical Education - 0.5 unit

Health or Health Integration - 0.5 unit

¹ CTE Credit Courses must be approved local programs. More information can be found at the link below.

Dual Credit - System General Education Requirements

The numbers indicated following the above Dual Credit coursework indicate the Board of Regents System General Education Curriculum Requirements the course meets. The General Education Curriculum Requirements are listed below.

- SGR#1** Students will effectively and responsibly and will understand and interpret the written expression of others.
- SGR#2** Students will communicate effectively and responsibly through listen and speaking.
- SGR#3** Students will understand the organization, potential, and diversity of the human community through study of the social sciences.
- SGR#4** Students will understand the diversity and complexity of the human experience through study of the arts and humanities.
- SGR#5** Students will understand and apply fundamental mathematical processes and reasoning
- SGR#6** Students will understand the fundamental principles of the natural sciences and apply scientific methods of inquiry to investigate the natural world
