WEDNESDAY, OCTOBER 2, 2024

Regent Rave declared a quorum present and called the meeting to order at 9:30 a.m.

1-B Approval of the Agenda

IT WAS MOVED by Regent Morrison, seconded by Regent Dittman, to approve the agenda as published. Motion passed.

1-C Declaration of Conflicts

There were no declared conflicts.

1-D Approval of the Minutes – Meeting on July 31 – August 1, 2024

IT WAS MOVED by Regent Morison, seconded by Regent Rasmussen, to approve the minutes of the Board of Regents meeting on July 31-August 1, 2024. Motion passed.

1-E Motion to Dissolve into Executive Session

IT WAS MOVED by Regent Morrison, seconded by Regent Roberts, that the Board dissolve into Executive Session at 9:40 a.m. on Wednesday, October 2nd, to consult with legal counsel and discuss personnel matters, pending and prospective litigation, contractual matters, and marketing or pricing strategies by a board of a business owned by the State when public discussion may be harmful to the competitive position of the business.

That it rise from Executive Session at 5:00 p.m., and reconvene in public session, to resume the regular order of business, and that the Board report its deliberations while in executive session and take any action it deems prudent as a result thereof in public session on Thursday, October 3rd. Motion passed.

THURSDAY, OCTOBER 3, 2024

The Board reconvened in public session at 9:30 a.m.

3-A Report and Actions of Executive Session

The Board Dissolved into Executive Session at 9:40 a.m. on Wednesday, October 2nd, to consult with legal counsel and discuss personnel matters, pending and prospective litigation, contractual matters, and marketing or price strategies by a board of a business owned by the State when public discussion may be harmful to the competitive position of the business, before rising from executive session at 4:00 p.m.

While in Executive Session, the Board discussed the matters just described, which included certain recommended actions as set forth in the Secretary's Report and other matters permitted by law.

IT WAS MOVED by Regent Morrison, seconded by Regent Roberts, that the Board approve the recommended actions as set forth in the secretary's report and publish said reports and official actions in the formal minutes of this meeting. Motion passed.

3-B Welcome Presentation by SDSU President Barry Dunn

President Barry Dunn welcomed the Board of Regents to South Dakota State University Campus and played a video that presented SDSU's achievements, including record-breaking enrollment, state-of-the-art facilities and a vibrant community that's buzzing with energy. President Dunn also introduced Jody Own, SDSU Senior Director of Student Success and Opportunity Center, and Shawn Helmbolt, SDSU Assistant Vice President for Enrollment Management, as they both have been integral in the overall success of the Student Success Center at SDSU.

3-C SDSU Student Organization Awards

Kimberly Grieve, SDSU Interim Associate Vice President for Student Affairs and Special Assistant to the VP, presented the SDSU student organization award winners for 2023. The Chemistry Club accepted the award for academic excellence. The University Program Council accepted the award for community service. The Student Nurses Association accepted the award for organizational leadership.

A copy of the SDSU Student Organization Awards can be found on pages **10** to **11** of the official minutes.

3-D Reports from Individual Presidents and Superintendents

No reports.

3-E Reports on Individual Regent Activities

Regent Lochner highlighted that he and Regent Partridge have been involved in the SDSMT Presidential Search and hoping to finalize that process in mid-November. He is also looking forward to later this afternoon following the conclusion of today's meeting as he and Regent Frederick will be taking a tour of the agriculture facilities while on campus.

Regent Frederick noted that he has been fairly active since the last board meeting attending SDSU's convocation. The energy was palpable and fantastic to watch sitting in on the green and seeing the record freshmen class. He had also been to NSU and visited with the campus student association there who were a wonderful young group of individuals to speak with.

Regent Roberts noted that she was able to sit in on the BOR budget hearing with the Governor when the BOR staff presented our requests for the next fiscal year. She wanted to pass on that Commissioner Terwilliger did share that the sales tax and excise tax revenues were down and that a word of caution that the economic outlook and the look for additional funds for the BOR is not looking great at this point.

Regent Dittman attended the opening of DSU's athletic center and concert event, same as several other members of the board and BOR staff.

Regent Rasmussen met with SDSU Student Government Association (SGA) and had a very productive meeting with them.

3-F Report of the Executive Director

Nathan Lukkes, Executive Director and CEO, thanked SDSU for the warm hospitality from Brookings and SDSU while hosting the BOR meeting this week. He enjoys this time of year in getting out to the campuses for various events whether it's campus move-in day or grand opening events such as SDSU's athletic center; see the campuses full and vibrant is a wonderful success to see. There is a lot of hard work that goes on behind the scenes with all the staff on campus to make these successes happen and he wanted to take a moment to express his gratitude to everyone involved. He also had a great meeting with SDSU Faculty Senate last week and appreciated the hour and half they spent with him chatting the other week prior to the Board meeting.

Nathan also expressed his excitement for the Center for Civil Engagement out at BHSU and their first inaugural event coming up. Jeffery Rosen who is the CEO for the National Constitution Center is going to be on campus at BHSU on October 15th and here at SDSU on October 16th. It will be a great opportunity for community members, students, and faculty to attend especially with the timing is ideal in terms of ramping up for the election cycle.

Also the free college application period is up and running again for the year and is a good time for high school students to get their college applications in, save a little money, and explore their options at our great institutions.

3-G Report from the Student Federation

Blake Gibney (Executive Director), Ethan Gladue (President), and Madelyn Siekmann (Vice President) provided an update on activities within the Student Federation. Blake noted that his primary objective at the moment is organizing students for Students in Higher Education Days (SHED) for the upcoming legislative session. Their team members are very proactive in organizing this event and he is very happy with their progress as things are moving along as planned. SHED will be on January 26-27, 2025, in Pierre. They will be doing legislative committee assignments and hosting a meeting with the senior staff of the Board of Regents and by having Executive Director Lukkes come and speak with their group on the importance of higher education, leadership, etc.

Ethan noted that another big initiative that they are also working on is a survey for students about the awareness of tuition costs with the past few years having a tuition freeze. They plan to release the survey for a two-week timeline starting October 28th.

3-H Report from the SDSU Student Association

Trinity Peterson (SDSU SA President) and Hayden Bentz (SDSU SA Vice President) noted that their group has been doing a lot with the General Activity Fee there at SDSU. Last year they underwent a ten-month strategic planning process that involved a group of forty-four people, thirty of which were students. There were five different groups who looked into the wellness center, transportation, student life, mental health, and the general activity fee history there at SDSU. During that timeframe, they crafted a plan for how student dollars will be spent going into fiscal year 2030. The initial recommendation included a bond that is coming off their union. It is \$1.77 per credit hour and their recommendation is that be reallocated to support student organizations, student union wages, and

technology. They would also like it to support tele-mental health, an additional counselor, as well as supporting their office of student activities. In order to get that passed, they are conducting a student vote currently which they have been receiving a very enthusiastic response rate for thus far. Their goal was to get 3,000 responses (representing about a quarter of their student population) and that goal was hit just four days in. They are really excited to see the final results of that survey.

Hayden noted that a lot of construction on the First Bank & Trust Arena is wrapping up and he just attended an open house for the arena which was open to the community. He noted that they did a wonderful job on the design of the building, improving things behind the scenes as well as the overall game day experience, while also making sure that student athletes have a really positive experience in that building.

Trinity also stated that Student Association is working on other initiatives to get feminine hygiene products available as well as working with public transportation in Brookings to find more transport opportunities within city limits, as well as find a more student friendly system for scheduling/finding rides, such as an app.

Regent Roberts thanked the students for the excellent breakfast this morning and the meaningful conversations that were had.

ACADEMIC AND STUDENT AFFAIRS

6-A SDSD Strategic Plan 2024-2027

Kami Van Sickle, SDSD Director, provided an overview of their 2024-2027 Strategic Plan, which includes the outline of their values, Vision and Mission. Kami also presented some data provided in an infographic regarding their annual summary of activities from the past year.

Regent Rave asked if Pediatric Audiologists are incredibly hard to find; Kami noted that yes they are and she also believes that is because we do not dispense hearing aids or program hearing aids and cochlear implants and a lot of audiologists go to school to do just that.

Regent Brown inquired as to how many students/clients come into their Sioux Falls office and if that space is meeting their needs. Kami noted that they offer six appointments per day and they are currently booked out through February 2025. Both their Sioux Falls and Rapid City offices are incredibly busy, and there have been discussions regarding possibly adding another audiologist booth in Sioux Falls to meet the high need for appointments.

IT WAS MOVED by Regent Dittman, seconded by Regent Morrison, to approve the strategic plan for the South Dakota Services for the Deaf, as presented. Motion passed.

A copy of the SDSD Strategic Plan 2024-2027 can be found on pages **105** to **116** of the official minutes.

6-B Revised BOR Policy 2.3.8 – Distance Education (First and Final Reading)

Dr. Janice Minder, System VP for Academic Policy and Planning, stated that this policy has been updated to include references to the new professional licensure program federal regulations, as well as the proposed AAC Guideline 2.3.8.C – Programs Leading to Professional Licensure/Certification. Previously, there was general language about licensure programs, but this reference adds more specificity and allows us to tie the new AAC guideline to an existing BOR policy.

IT WAS MOVED by Regent Dittman, seconded by Regent Morrison, to (1) waive the two-reading requirement of By-Laws Section 5.5.1, and (2) approve the first and final reading of the proposed revisions to BOR Policy 2.3.8 – Distance Education, as presented. Motion passed.

A copy of the Revised BOR Policy 2.3.8 – Distance Education (First and Final Reading) can be found on pages **117** to **124** of the official minutes.

BUDGET AND FINANCE

7-A DARC Annual Meeting

Andrea Thompson, CEO of DARC, joined by Stacy Krusemark, DSU VP for Finance and Administration, provided an update regarding the operations of the Dakota State University Applied Research Corporation (DARC) and their annual meeting.

IT WAS MOVED by Regent Frederick, seconded by Regent Roberts, to reappoint Andrea Thompson

to serve a three-year term on the Board of Directors of DARC. Motion passed.

A copy of the DARC Annual Meeting can be found on page **125** of the official minutes.

7-B FY26 Dakota Advantage Rate Proposal for Capped Graduate Programs at USD and SDSU

Mike Holbeck, SDSU VP of Finance and Budget, and Julie Kriech, USD VP of Finance and Administration, explained that in December 2023, the BOR approved expanding its South Dakota Advantage and Child of Alumni rates to qualifying students pursuing non-capped graduate programs at SDBOR campuses. Qualifying students are those meeting both the following criteria: 1) from a South Dakota Advantage state or are a Child of Alumni; and 2) received an undergraduate degree from an SDBOR institution.

Campuses provided supporting information to demonstrate that anticipated revenues from graduate enrollment growth from SD Advantage states would offset (or exceed) reduced revenues from offering the lower resident tuition rates. Specific professional graduate programs having unique/higher non-resident tuition rates and class size caps were excluded from the initial expansion as the revenue losses from offering resident tuition rates were substantial and could not be made whole through increased program enrollments.

Mike noted that there was a typo on one of the numbers on page six; the updated item will be posted online following the conclusion of the meeting for the public record.

IT WAS MOVED by Regent Frederick, seconded by Regent Morrison, to approve expansion of the South Dakota Advantage Graduate Tuition Program to include 1) a USD graduate tuition rate set at 175% of the resident tuition for Occupational Therapy (OT), Physical Therapy (PT), Physician Assistant (PA), Medical Doctorate (MD) and Law graduate programs; 2) an SDSU Veterinary Medicine 2+2 rate at 154% of the resident rate with fees matching the non-resident Vet 2+2 rates; and 3) an SDSU PharmD rate at 165% of the resident rate.

These tuition and fee rates would be effective starting Summer 2025 and will apply to new, qualifying students from a South Dakota Advantage state or those who are Children of Alumni and have earned an undergraduate degree from an SDBOR institution. Motion passed.

A copy of the FY26 Dakota Advantage Rate Proposal for Capped Graduate Programs at USD and SDSU can be found on pages **126** to **144** of the official minutes.

ADJOURNMENT

IT WAS MOVED by Regent Lochner, seconded by Regent Roberts, to adjourn the meeting. Motion passed.

The meeting adjourned at 10:40 a.m.

Secretary's Executive Session Report

The Board convened in Executive Session pursuant to the vote of the majority of the Board present and voting at its public meeting on Wednesday, October 2nd, in accordance with SDCL § 1-25-2 to discuss matters authorized therein. Following executive session, on October 3rd, the Board will meet in open session to discuss and take official action on the matters set forth below, all other matters discussed were consistent with the requirements of SDCL § 1-25-2, but no official action on them is being proposed at this time.

SOUTH DAKOTA BOARD OF REGENTS

AGENDA ITEM: 3 – C
DATE: October 2-3, 2024

SUBJECT

SDSU Student Organization Awards

CONTROLLING STATUTE, RULE, OR POLICY

None

BACKGROUND / DISCUSSION

At the April 2024 Board of Regents meeting, the Board approves recommendations offered by each institution for the 2023 student organization award winners. The winners of these awards are announced at Board meetings throughout 2024. South Dakota State University (SDSU) Student Organization Awards would be presented at the October 2024 BOR meeting in Brookings.

2023 SDSU Award for Academic Excellence: Chemistry Club

The Chemistry Club has contributed to the academic environment at South Dakota State University by putting on experiment nights to help students better understand chemistry, and how things work. These experiment nights help students see the real-world application of topics they learn about in their chemistry classes. In addition to experiment nights, the Chemistry Club helps students with their chemistry classes by explaining concepts and working through problems. The club also helps students with applications for the department's summer research funding for their senior capstone projects.

2023 SDSU Award for Community Service: University Program Council

The University Program Council (UPC) of South Dakota State University has again made community service and the inclusion of nonprofit organizations in the Brookings area an important theme of this past year by working with nonprofit organizations and other local businesses in the community. Many of their events looked to off campus entities for collaboration and potential co-sponsorship of events throughout the year. They are continuously planning and incorporating nonprofits and other organizations on campus and within the Brookings community to engage students and encourage them to involve themselves within the community.

2023 SDSU Award for Organizational Leadership: Student Nurses Association

Student Nurses Association (SNA) serves as a dedicated outlet and support network for aspiring nurses. They provide organization, representation, and mentorship to all nursing

students. They go beyond academics, fostering the development of skills and values that make responsible and accountable future nurses. Their commitment extends to advocating for high-quality healthcare, ensuring that future nurses are equipped to deliver exceptional patient care and contribute to the well-being of their communities. The SNA group strives for greatness by putting forth extra time and dedication to focus on becoming the best nurses they can be. Student Nurses Association helps instill foundational leadership qualities throughout the membership experience.

IMPACT AND RECOMMENDATIONS

The Board recognizes the important role that student organizations play in the Regental system. Student organizations provide students the opportunity to connect with others who have similar interests as well as experience a sense of community, all of which increases the likelihood of successful college completion. They also provide students with opportunities for professional development by offering practical opportunities to hone skills, including those in leadership and communication.

CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 2.2.1](#) – System Undergraduate Admissions

BACKGROUND / DISCUSSION

In August of 2022, the Academic Affairs Council (AAC) and the Student Affairs Council (SAC) considered an enhancement to the current admission policy for the Regental system. This policy was adopted in 1987 with substantial changes prior to 2020. Therefore, to better understand best practices for admission policies, several committees were developed to explore, research, and recommend changes to the current policy. The committees included the following:

Adult Learner and Graduate Studies

NSU – Erin Fouberg, Anna Schwan
SDSU – Victor Taylor
USD – Jennifer Thompson

Transfer and Prior Learning

NSU – Erin Fouberg, Anna Schwan
SDM – Cicily Strong Hughes
SDSU – Victor Taylor

DRAFT MOTION 20241002_5-A:

I move to approve the second and final reading of the new draft BOR Policy Admission Series 2.2.1.1 through 2.2.1.11, as presented.

The goal was to evaluate all portions of the current policy and differentiate a sub-policy for the student-applicable portions to streamline the readability of the policies. The teams were facilitated by system academic and student affairs stakeholders. Each team researched other universities, colleges, and systems as well as evaluated reports and research from organizations.

What is presented to the Board today is a culmination of work over the past two (2) years. Since these policies reflect a new and enhanced version all are new policies. Each has been embedded into the system policy template.

IMPACT AND RECOMMENDATION

The Academic Affairs Council (AAC) and Student Affairs Council (SAC) have reviewed the policy revisions with several iterations (up to three review passes) to ensure adequate time and stakeholder discussion at the campuses. Revisions have been made since the first reading at the August 2024 BOR meeting and are highlighted **yellow** within Attachments II and IV.

Board academic staff supports the new and enhanced policies for Admissions.

Policy Manual

SUBJECT: System General Admissions

NUMBER: 2.2.1.1

A. PURPOSE

The Regental system is the largest public post-secondary education system in South Dakota. This system offers both undergraduate and graduate education. The purpose of this policy is to set admission standards for the system.

B. DEFINITIONS

Note: These definitions may be used in the entirety of the policy sub-series 2.2.1 (2.2.1.1-2.2.1.11).

1. **ACT:** A national standardized exam that may be used for undergraduate admission and merit scholarships.
2. **Application:** An institutional application for prospective students to apply.
3. **Class Rank:** A measurement of a student's academic achievement compared to students within the same class during their secondary education.
4. **Degree Seeking:** A student enrolled in any courses for credit leading to a degree or other recognized postsecondary credential.
5. **Disenrolled Status:** A degree-seeking student status where no registration has occurred for up to twelve (12) months.
6. **English Placement:** An assessment of a student's aptitude to demonstrate proficiency in English.
7. **Enrolled Student:** A student who has been admitted, registered, matriculated, and is engaged in the course(s).
8. **FAFSA:** Free Application for Federal Student Aid, which is a form to apply for federal student aid. Information from the FAFSA may also be used to determine eligibility for other forms of merit-based and need-based aid, including scholarships.
9. **Federal Financial Aid:** A program that provides financial assistance to students in the form of grants, work-study funds, and student loans.
10. **General Education Development (GED):** A high school equivalency diploma comprised as a series of four (4) exams that demonstrate proficiency in mathematics, language arts, social studies, and science.

- 11. Grade Point Average (GPA):** An average of all the grades earned; this calculation is obtained by dividing the total number of grade points earned by the total number of credits attempted.
- 12. High School Transcript:** A copy of the student's high school academic record.
- 13. Inactive Status:** A degree-seeking student status when a student has not been actively enrolled for more than twelve (12) months.
- 14. Institution:** One of the six (6) public universities: Black Hills State University, Dakota State University, Northern State University, South Dakota Mines, South Dakota State University, and University of South Dakota.
- 15. Math Placement:** An assessment of a student's aptitude to demonstrate proficiency in mathematics.
- 16. Non-Resident:** A person who has not continuously resided in South Dakota for at least twelve (12) consecutive months immediately preceding the first scheduled day of classes of the semester or other session in which the individual enters the regental system. SDCL § 13-53-26.
- 17. Non-Degree Seeking:** A student enrolled who is not seeking a postsecondary credential.
- 18. Official Transcript:** A certified record of a student's complete academic history, compiled and issued by the institution.
- 19. Post-Traditional Students:** Students entering a post-secondary educational institution with a break between secondary and post-secondary education.
- 20. Program of Study:** A program declared by the student prior to a graduation application submission that includes a credential which requires a primary major as well as secondary majors, specializations, and minors that are packaged under the same degree level and outlined in the academic catalog and the student information system.
- 21. Prospective Student:** Defined as one (1) of the following:
- Lead – an individual thought to be interested in enrolling in university coursework.
 - Applicant – an individual who has applied for admission.
 - Admitted – an individual who has been admitted to the university.
 - Deposited – an individual who has paid a deposit for institutional housing or has had said deposit waived (*note: relevant to undergraduate level only*).
- 22. Provisional Admittance Status:** Students admitted on a temporary status for up to two (2) semesters or until the student meets full admission eligibility.
- 23. Public or Private Postsecondary Educational Institution:** Any entity permitted to offer postsecondary education credits or degrees in South Dakota under SDCL § 13-49-27.1.
- 24. Regular Admittance Status:** Full admission to the institution and program of study.
- 25. Resident:** A resident of South Dakota as defined by BOR Policy 3.1.1 and South Dakota Codified Law.
- 26. Traditional Students:** Students graduating from high school and entering a post-secondary educational institution immediately following their graduation.

- 27. SAT:** A national standardized exam that may be used for undergraduate admission and merit scholarships.
- 28. Standardized Exam:** Nationally standardized exams used as an additional placement tool providing information about the academic readiness of the applicant.

- 30. Student Status:** A student may be active, inactive, or disenrolled.
- 31. Student Type:** A student descriptor assigned once enrolled as a student.
- 32. Unofficial Transcript:** An unofficial record of a student's academic history.
- 33. Validated Credit:** Credit earned for college-level courses by validation methods such as Credit by Exam, CLEP, AP, portfolio, etc.
- 34. Visitor Program:** A program of limited courses designated by the institution that allows a student to participate in course activities for no credit.
- 35. Visitor Student:** A non-degree seeking student participating in the Visitor Program for which no credit is earned.

C. POLICY STATEMENTS

- 1. Board of Regents Policy 1.1.1, 1.1.2 and SDCL § 13-49 through § 13-53, and the South Dakota constitution provides the authority to govern the university system.
- 2. Each university may adopt specific admission guidelines, consistent with law and the requirements set by the Board of Regents, as may be required for each institution, school, unit/division, or program to assure acceptable student preparation and enrollment levels. A copy of such admission requirements and any subsequent changes shall be filed with the Executive Director's office and shall be subject to review by the Board of Regents.
- 3. Institutions shall use a customer relationship management (CRM) solution that is approved by the system as the approved system vendor.
- 4. Institutions shall use the Regental approved and required undergraduate application questions for the integration process into the student information system.
- 5. The Board of Regents requires a non-weighted GPA where a high school transcript is required. If the transcript has only a weighted GPA, the system will unweight the GPA.
- 6. All prospective students whose native language is not English (regardless of citizenship) as provided on their application must provide proof of English proficiency.
- 7. Students must provide proof of compliance with South Dakota Immunization Requirements according to South Dakota Codified Law is required and BOR Policy 2.2.1.2.
- 8. Individuals can be admitted as a visitor student status when participating in a visitor program (see AAC Guideline 2.2.1.9.A). These visitors shall not be required to apply and are not considered enrolled students.

D. PROSPECTIVE STUDENT ADMISSION CONSIDERATIONS**1. Aid and Scholarships¹**

- 1.1. Federal Financial Aid: Applicants and students should contact the Financial Aid Office at the institution of choice for information on federal financial aid.
- 1.2. State Legislative Merit Scholarships: The legislature has provided several opportunities for prospective students to receive state-funded merit scholarships. For more information on state scholarships, see [BOR Policy 3.6.1](#).
- 1.3. Freedom Scholarship: The legislature approved, and private partners supported, the state's Freedom Scholarship. This is a needs-based scholarship managed by the SD Community Foundation. Prospective students should contact the Admissions Office at the institution of choice for information.
- 1.4. Other Institution and Local Needs-Based and Merit-Based Scholarships: Prospective students should contact the Admissions Office or Financial Aid Office at the institution of choice for information.

2. Tuition and Fees²

Each year the Regents set tuition and fees. A list of the tuition and fee schedule can be found on the [Board of Regents website](#).

E. ADMISSION PROCESS**1. South Dakota Resident – Exceptions**

The Board of Regents will implement admissions campaigns that may be exempted from the process outlined in 3.2. Where that occurs, a memorandum of understanding must be completed with the participating agency and the Regental system.

2. Admission Process

- 2.1. Prospective students shall apply for admission through the institution's application process. Institution applications can be found on the [institution's website](#).
- 2.2. Proof of compliance with South Dakota Immunization Requirements according to South Dakota Codified Law and BOR Policy 2.2.1.2 is required.
- 2.3. An official notification of acceptance issued by the Institution shall be processed prior to any prospective student enrolling in a course.
- 2.4. Prospective students shall submit all required institutional documents for accurate placement into a course. If the appropriate credentials and tests are not submitted students will either be registered in a course based on their placement criteria and or not allowed to register.

¹ [SDBOR Policy 3.6.1 – Scholarships, Grants, and Loans](#)

² BOR Policy 5.5 and its sub-policies govern tuition and fees.

3. Accurate Data

Prospective students shall certify that the admissions information provided in the application is accurate. Applicants or current students who submit false information or documentation for the admissions process will be subject to [BOR Policy 3.4.1 – Student Code of Conduct](#).

4. Admission Status

Prospective students who are admitted by an institution must be admitted in one (1) of two (2) categories: regular admittance status or provisional admittance status. Provisional status occurs when the applicant does not meet all the admission requirements.

5. Appeal Process

Prospective students who are not accepted for admission may appeal for special consideration through a process defined by the institution.

F. PROSPECTIVE AND ENROLLED STUDENT RECORDS

Proper recordkeeping shall be required of the institutions.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: General Admission Immunization Requirements

NUMBER: 2.2.1.2

A. PURPOSE

The purpose of this policy is to comply with [South Dakota Codified Law § 13-53-46 through § 13-53-48](#) and to ensure student health and safety.

B. DEFINITIONS

See BOR Policy 2.2.1.1 – System General Admissions.

1. **Student:** For the purposes of this policy, per [SDCL § 13-53-46](#), a student is defined as, “any person born after 1956 who is registering for more than one class during an academic term, such as a quarter or a semester. The term includes any person who meets face-to-face at least once per week to receive instruction. The term does not include any person who receives non-credit-bearing or on-the-job training services.

C. SOUTH DAKOTA CODIFIED LAW IMMUNIZATION REQUIREMENTS

1. Immunization for Measles, Mumps, and Rubella (MMR)

- 1.1 Required doctor’s certificate of immunization must be provided to the institution.
- 1.2 As an alternative to the requirement for a physician's certification, the student may present:
 - 1.2.1 Certification from a licensed physician stating the physical condition of the student would be such that immunization would endanger the student's life or health;
 - 1.2.2 Certification from a licensed physician stating the student has experienced the natural disease against which the immunization protects;
 - 1.2.3 Confirmation from a laboratory of the presence of adequate immunity; or
 - 1.2.4 A written statement signed by the student that the student is an adherent to a religious doctrine whose teachings are opposed to such immunizations. If the student is under the age of eighteen (18), the written statement shall be signed by one parent or guardian.

2. Timeline

- 2.1 The institution shall require that the documentation from the student be submitted within forty-five (45) days after the start of classes.

- 2.2 A student may register and be enrolled during the first semester period up to forty-five (45) days, however, for clinical programs these requirements must be met before matriculation to certain clinical sites.
- 2.3 Every attempt should be made to collect this information at the time of admission.
- 2.4 Students who are unable to ascertain their immunization status may obtain, at their own expense, the necessary tests and vaccination from the Student Health Service of their university.

D. STATE EPIDEMIC – MEASLES, MUMPS, OR RUBELLA (MMR)

In the event the South Dakota State Department of Health declares an epidemic of measles, mumps or rubella, the institution involved shall provide to the State Department of Health a list of students who have not submitted immunization documentation.

1. Subsequent campus actions shall consider the advice and authority of the South Dakota State Department of Health.
2. Students who have no vaccination or immunity against the required preventable infectious diseases may be dismissed from the institution for the safety of that student or students.

E. MISCELLANEOUS VACCINATIONS

For the protection of the health of the students and because of the risks of exposure to infectious diseases, certain tests and immunizations are required. In part, these additional immunizations are part of the institution's ongoing affiliation agreements with third-party sites. This is not an exhaustive list as each institution may vary in mission and programming that partner with external agencies or organizations. Some of the more common immunizations required for internships or clinical placements include:

- Hepatitis B
- MMR (Measles, Mumps, Rubella)
- Tetanus, Diphtheria, Pertussis
- Varicella
- Covid
- Annual Influenza

Each institution will compile information about current program-related vaccination requirements and make this information available to students along with other curricular and registration materials. If the immunization is a requirement for program enrollment, then this must be met prior to any registration. It will be the responsibility of the department of the specific health profession program to ensure that the vaccination requirement has been met.

Additional vaccinations may be highly recommended for campus residential living.

F. WAIVERS AND EXEMPTIONS

A student can request a waiver and/or an exemption for MMR under sections C.1 or E by first communicating with the institution they are enrolled. Each institution will establish a procedure for requesting a waiver or exemption. It is important to note that this exemption or waiver is only eligible for the institution and not for a third party. For some programs, waivers will not extend to third-party organizations (i.e., clinical sites).

G. FAILURE TO PROVIDE VACCINATION RECORD

A student who fails to provide satisfactory documentation of his or her immune status shall not be permitted to continue classes except with proper approval for accommodation exempting them from any required vaccinations.

1. The student will be removed from the current class(es) after the forty-fifth (45th) day.
2. In the case of classes delivered in less than forty-five (45) days, students will not be able to register for or to attend classes beginning in a subsequent term.
3. Nothing in this policy shall prohibit a program from removing a student from a clinical placement or internship course prior to the timelines outlined above if vaccination is required by the facility hosting the internship or clinical placement.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: General Admission Standardized Exam

NUMBER: 2.2.1.3

A. PURPOSE

The Board of Regents supports an admissions strategy where prospective students are evaluated by the entirety of their record and their experiences. The purpose of this policy shall be to define the use of standardized exams for admission.

B. DEFINITIONS

See BOR Policy 2.2.1.1 – System General Admissions.

C. TEST-FLEXIBLE ADMISSIONS

1. Admission

Admission consideration for prospective students who apply for general admission into the institution shall be based on a review of the prospective student per BOR Policy 2.2.1.1 as well as any institutional requirement with respect to standardized exams.

1.1 Mission

The mission statements for the institutions may be found in BOR Policy section 1.2. The mission of the institution shall reinforce requirements for the use of standardized exams. The two (2) Regental classifications authorized to require standardized exams shall include Special Focus and Research due to mission as outlined in BOR Policy.

1.2 Program of Study Secondary Admission Requirements

Program accreditation may require secondary admission standards. Those accreditation standards authorize required standardized exam scores as well as any other specific GPAs or other exemplars of academic preparedness for admission. Prospective students who intend to pursue a program with secondary admission standards must review and submit their records as required by the institution.

2. Merit and Need-Based Scholarships

Each institution has merit-based and need-based scholarships. Prospective students applying for scholarships must review and submit their records (*including any required standardized exam scores*) as required by the institution to be considered for the scholarships. When scholarships require a standardized exam score, prospective students shall submit ACT or SAT with their admission records.

3. Placement (General Education/Undergraduate)

The Board of Regents manages the undergraduate general education requirements for course placement. Standardized exam scores, GPA Math Index, or other tests shall provide entrance into the course that best fits the prospective student's academic and skill level.

4. Placement (Graduate)

BOR Policy 2.2.1.11 – Graduate Admission outlines the general admission requirements. The institutions shall manage the requirements set forth for graduate school.

D. STANDARDIZED EXAM SCORE SUBMISSION

1. Prospective students who wish to submit standardized exam scores will have their test data entered into the student information system (SIS).
2. When submitting ACT or SAT scores, only scores dated within the last five (5) years shall be recognized. SAT scores will be converted to ACT equivalences according to a concordance table approved by the Board of Regents and included in AAC Guidelines.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Undergraduate Traditional Admission

NUMBER: 2.2.1.4

A. PURPOSE

The undergraduate admissions policy for students that apply right from high school to attend a post-secondary institution without a gap. This policy is guided by the Regent's commitment to serve the people of South Dakota and the needs of the state. This policy sets forth the entrance requirements for undergraduate traditional admission policies.

B. DEFINITIONS

See BOR Policy 2.2.1.1 – System General Admissions.

C. POLICIES AND PROCEDURES

1. Comprehensive Review

Institutions shall institute a comprehensive review process by which prospective students applying to the institution are evaluated for admission using multiple measures of achievement. Institutions may have differing criteria based on their mission and their array of programs and degrees. Criteria considerations may include the following:

- 1.1. University Mission: The mission of the institutions provides specific academic programming that aligns with their Regental mission. The mission statements are found in Section 1.2 of the Board of Regents Policy.
- 1.2. Academic Achievement: Institutions may use available academic indicators such as grade point average (GPA), course preparation, graduation ranking, corequisite learning, community service, employment, references, and any additional standardized exams in admissions criteria.
- 1.3. Program of Study: Institutions should evaluate the preparedness of each prospective student for success. If secondary requirements exist due to programming accreditation, those must be met.

1.4. Classification of the undergraduate student shall be based on the credit hours applied toward the program of study.

- Credit hours at 30 or less shall be freshman classification.
- Credit hours at 60 or less shall be sophomore classification.
- Credit hours at 90 or less shall be junior classification.
- Credit hours above 90 shall be senior classification.

2. Required Records

- 2.1. University Application: Prospective students as outlined in BOR Policy 2.2.1.1 are required to complete an application for admission.
- 2.2. High School Transcript: When a prospective student has graduated a high school transcript must be submitted to the institution. **The transcript must show that the student has graduated.** Transcripts may be submitted by the official agency via electronically or may be submitted by the prospective student.
- 2.3. Residency: Students must provide residency per [BOR Policy 3.1.1 – Resident and Nonresident Classification of Students](#) and BOR Policy 2.2.1.1.
- 2.4. Immunization Records: Students must comply with South Dakota Codified Law as outlined in BOR Policy 2.2.1.2.

3. Placement Review

- 3.1. Prospective students must meet appropriate Math and English placement criteria for course registration. AAC Guidelines 2.2.1.1.A and 2.2.1.1.B shall document requirements for course placement.
- 3.2. BOR Policy for validated credit shall be applied as provided in BOR Policies 2.2.1.1 and 2.2.2.5.

4. Enrollment/Residential Life Requirements

- 4.1. Prospective Students Under Age Eighteen (18): Institutions may admit prospective students as full-time, first-time students as early as age sixteen (16). The Board may also admit students below age 16 on case-by-case determinations. Such determinations will be made by the institutional vice president of student affairs or enrollment management, or the designee based on a student's academic history and proof of completion of high school graduation requirements. Students admitted pursuant to this provision must provide documentation with parent or guardian consent.
- 4.2. Prospective Students Under Age Sixteen (16): Students aged 16-17 may be permitted to reside in residential life if they obtain university authorization, otherwise, meet the criteria for residential life placement, and submit parent or guardian consent. Students under the age of 16 may not reside in residential life.

SUBJECT: Undergraduate Post-Traditional Admission

NUMBER: 2.2.1.5

A. PURPOSE

The undergraduate admissions policy governs admission for students who experienced a break between their secondary and post-secondary education. This policy sets forth the entrance requirements for undergraduate post-traditional students.

B. DEFINITIONS

See BOR Policy 2.2.1.1 – System General Admissions.

C. POLICIES AND PROCEDURES

1. Comprehensive Review

Institutions shall institute a comprehensive review process by which prospective students applying to the Institution are evaluated for admission using multiple measures of achievement. Institutions may have differing criteria based on their mission and the array of programs and degrees. Criteria considerations may include the following:

- 1.1 University Mission: The mission of the institutions provides specific academic programming that aligns with their Regental mission. The mission statements are found in Section 1.2 of the Board of Regents Policy.
- 1.2 Academic Achievement: Institutions may use available academic indicators such as grade point average (GPA), course preparation, graduation ranking, corequisite learning, community service, employment, references, and any additional standardized exams in admissions criteria.
- 1.3 Program of Study: Institutions should evaluate the preparedness of each prospective student for success. If secondary requirements exist due to programming accreditation, those must be met.
- 1.4 Military experience, employment, and any other opportunity or experience the prospective student shares may be used in the admissions evaluation.

2. Required Records

- 2.1 University Application: Prospective students as outlined in BOR Policy 2.2.1.1 are required to complete an application for admission.

2.2 High School Transcript or General Education Development (GED): When a prospective student has graduated or obtained their GED in less than five (5) years of the application date, they must submit high school transcripts or GED transcripts to the institution. Transcripts may be submitted by the official agency via electronically or may be submitted by the prospective student if an original can be found.

2.2.1 If a prospective student has graduated from high school or obtained their GED five (5) years or more from their application date, they may submit an affidavit of successful completion. The institution's Office of Admissions will accept the affidavit as evidence of high school graduation.

2.3 Residency: Students must provide residency per [BOR Policy 3.1.1 - Resident and Nonresident Classification of Students](#) and BOR Policy 2.2.1.1.

2.4 Immunization Records: Students must comply with South Dakota Codified Law as outlined in BOR Policy 2.2.1.2.

3. Placement Review

3.1. Prospective students must meet appropriate Math and English placement criteria for course registration. AAC Guidelines 2.2.1.1.A and 2.2.1.1.B shall document requirements for course placement.

3.2. BOR Policy for prior learning credit and validated credit shall be applied for prospective students who qualify under BOR Policy 2.2.2.5 and AAC Guidelines section 2.2.2.5.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: High School Dual Enrollment Admission

NUMBER: 2.2.1.6

A. PURPOSE

The high school dual enrollment admission policy is for those students who are currently enrolled in high school and wish to complete college coursework as both high school and college credit. This policy is guided by the Regent's commitment to serve the people of South Dakota and the needs of the state. This policy sets forth the entrance requirements designed for high school students.

B. DEFINITIONS

See BOR Policy 2.2.1.1 – System General Admissions.

1. **Concurrent Enrollment/Rising Scholar Program:** College credit earned by a high school student who enrolls in a course that is offered through the school district and taught by a qualified individual approved by the school district and the institution.
2. **High School Dual Credit (HSDC) Program:** Refers to a state-supported dual credit program managed by the South Dakota Department of Education. HSDC courses are offered at a reduced tuition rate set by the Board of Regents.
3. **High School Full Tuition Rate Program:** Students enrolling at the full tuition rate.

C. HIGH SCHOOL ENROLLMENT OPPORTUNITIES

To offer concurrent enrollment, the school district must sign the appropriate paperwork with the institution and be approved by the Board of Regents. To offer HSDC, the school must submit the appropriate paperwork to the South Dakota Department of Education. In both, the school must agree to record coursework on the student's transcript and use it to calculate academic credit. Requirements are outlined in [SDCL § 13-28-37](#).

1. Concurrent Enrollment/Rising Scholar Program

- 1.1. **Program Overview:** Concurrent enrollment/Rising Scholar courses provide high school students the opportunity to take college-credit bearing courses at the high school, taught by a qualified individual approved by the school district.

Institutions partner with local school districts to deliver college-level coursework at the high school. The expectation is that these courses shall cover the same material and content at the same level required for the same course offered at the institution, and instructors and students are held to the same college-level standards.

- 1.2. Faculty Qualifications: Faculty must be approved by the institution and must comply with Section E of [BOR Policy 2.4.5](#) and [AAC Guideline 2.4.5.A](#).
- 1.3. Tuition and Fees: The tuition rate for concurrent enrollment courses is the externally supported tuition rate, which is outlined in [BOR Policy 5.5.3 – Tuition and Fees: Special Course Types](#). This rate may be supported by the school district or directly supported by the student.
- 1.4. Student Eligibility: Students must meet the concurrent program eligibility requirements and any other course placement or prerequisites as outlined in AAC Guideline 2.2.1.6 – High School Enrollment Guidelines – Concurrent/Rising Scholar Program.

2. High School Dual Credit (HSDC) Program

- 2.1. Program Overview: HSDC courses provide high school students the opportunity to register for existing university courses taught by university faculty. Courses may be delivered on campus, online, or at the school district.
- 2.2. Faculty Qualifications: HSDC courses are taught by highly qualified faculty employed by the institution.
- 2.3. Tuition and Fees: The reduced tuition rate for the HSDC program is set by the BOR and established by South Dakota Codified Law¹. Students pay one-third of this reduced rate, and the State, through the Department of Education, pays the remaining two-thirds. This policy will not supersede SDCL; if the law changes, the law shall prevail. Students shall not pay any student fees (*e.g., lab fee, program fee, discipline fee, laptop fee, delivery fee, etc.*).
- 2.4. Student Eligibility: Students must meet the HSDC program eligibility requirements and any other placement or prerequisites as outlined in AAC Guideline 2.2.1.6 – High School Enrollment Guidelines – High School Dual Credit Program.

3. High School Full Tuition Rate Program

- 3.1. Overview: High school students who do not meet the requirements for the HSDC or Concurrent Enrollment/Rising Scholar programs, or who wish to take courses that are not offered as part of either program, may enroll in the BOR system through this program.
- 3.2. Faculty Qualifications: Courses are taught by highly qualified faculty employed by the institution.
- 3.3. Tuition and Fees: High school students who are enrolled will be charged the full tuition rate and must pay all associated student fees.
- 3.4. Student Eligibility: Students must meet the requirements as outlined in [SDCL § 13-28-37](#).

¹ [SDCL § 13-28-37.1](#)

D. FEDERAL FINANCIAL AID

High school students are not eligible for federal financial aid.

E. REQUIRED RECORDS

1. High School Dual Enrollment Application: A South Dakota (SD) Regental common application is required for admission. The parent or guardian and the school administrator are required to approve the application prior to the official enrollment.
2. High School Transcript: The student's partial high school transcript must be submitted by the high school or other official agency to the Regental system through the application process.
3. Standardized Exams and Previous College Course Information: Students must submit any standardized exam (*i.e.*, *ACT*) or previous college-level course information to the institution to qualify for any placement.
4. Immunization Records: Students must comply with South Dakota Codified Law as outlined in BOR Policy 2.2.1.2.

F. PLACEMENT REVIEW

1. High school students must meet one (1) of the criteria for placement into the appropriate Math and English courses prior to course registration. AAC Guidelines 2.2.1.1.A and 2.2.1.1.B shall be used for proper course placement.
2. BOR Policy for validated credit shall be applied as provided in BOR Policies 2.2.1.1 and 2.2.2.5.

B. DEFINITIONS

See BOR Policy section 2.2.1.1 – System General Admissions.

See BOR Policy section 2.2.2 Seamless Transfer Policy series.

C. POLICIES AND PROCEDURES

1. Comprehensive Review

Institutions shall institute a comprehensive review process by which students applying to the Institution are evaluated for admission using multiple measures of achievement. Institutions may have differing criteria based on their mission and their array of programs and degrees. Criteria considerations may include the following:

- 1.1 University Mission: The mission of the institutions provides specific academic programming that aligns with their Regental mission. The mission statements are found in Section 1.2 of the Board of Regents Policy.
- 1.2 Academic Achievement: Institutions may use available academic indicators such as grade point average (GPA), course preparation, graduation ranking, corequisite learning, community service, employment, references, and any additional standardized exams in admissions criteria.
- 1.3 Program of Study: Institutions should evaluate the preparedness of each prospective student for success. If secondary requirements exist due to programming accreditation, those must be met.
- 1.4 Military experience, employment, and any other opportunity or experience the prospective student shares may be used in the admissions evaluation.
- 1.5 Classification of the undergraduate student shall be based on the credit hours applied toward the program of study.

- 1.5.1 Credit hours at 30 or less shall be freshman classification.
- 1.5.2 Credit hours at 60 or less shall be sophomore classification.
- 1.5.3 Credit hours at 90 or less shall be junior classification.
- 1.5.4 Credit hours above 90 shall be senior classification.
- 1.6 Transfer Credit: The Regental system transfers credit for a program of study and utilizes courses transferred per BOR Policy section 2.2.2. This policy series provides information on approved types of transfer.
- 1.7 Transfer Grade Point Average (TGPA): Transfer courses shall be included in the calculation of the Transfer Grade Point Average which will also be applied to the system cumulative grade point average (CGPA). BOR Policy 2.8.1 defines the grade point averages for the Regental system.

2. Program of Study Articulation Agreements

Prospective students may utilize an articulation agreement between the sending and receiving institutions.

3. Required Records

- 3.1 University Application: Prospective students as outlined in BOR Policy 2.2.1.1 are required to complete an application for admission.
- 3.2 College Transcript: Upon request from the student, the sending institution must submit college transcripts to the receiving institution.
- 3.3 Residency: Students must provide residency per [BOR Policy 3.1.1 – Resident and Nonresident Classification of Students](#) and BOR Policy 2.2.1.1.
- 3.4 Immunization Records: Students must comply with South Dakota Codified Law as outlined in BOR Policy 2.2.1.2.

4. Placement Review

- 4.1 Prospective students must meet appropriate Math and English placement criteria for course registration. AAC Guidelines 2.2.1.1.A and 2.2.1.1.B shall document requirements for course placement.
- 4.2 Seamless Transfer Policies that apply to the prospective student shall be found in Board Policy section 2.2.2.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Undergraduate Readmit

NUMBER: 2.2.1.10

A. PURPOSE

The undergraduate readmit policy is designed for previously degree-seeking matriculated and enrolled students who have stopped out for a period not exceeding twelve (12) months. This policy sets forth the requirements for readmit students.

B. DEFINITIONS

See BOR Policy section 2.2.1.1 – System General Admissions.

See BOR Policy section 2.2.2 Seamless Transfer Policy series.

C. POLICIES AND PROCEDURES

1. Disenrolled Status

- 1.1. Former Regental degree-seeking students who have not been registered and enrolled for up to twelve (12) months may complete a Readmit Change Form to register for courses. No fee shall be applied to this form.
- 1.2. Students must complete the institution Readmit Change Form to validate the current major program of study and any personal information that may have changed (*i.e., address, cell phone, etc.*). This notifies the institution and advisor of the return.
- 1.3. Students shall meet with their advisor prior to registering.
- 1.4. All previous application-required records shall be utilized from the initial matriculation of that student's application process.
- 1.5. Depending on the previous academic history, BOR Policy 2.8.1 shall govern the academic standing of the returning student. If a student was not in good standing, the student may not be admitted without additional processing and advising.

2. Inactivated Status

- 2.1. If a student is past the twelve (12)-month window, that student shall become inactivated.
- 2.2. Students will be required to reapply based on BOR Policies 2.2.1.4 and 2.2.1.5.
- 2.3. Application fees may be waived.

D. PLACEMENT REVIEW

Readmit students must meet appropriate Math and English placement criteria for course registration. AAC Guidelines 2.2.1.1.A and 2.2.1.1.B shall document requirements for course placement.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Graduate Admission

NUMBER: 2.2.1.11

A. PURPOSE

The Board of Regents is committed to providing various options for graduate programs. This policy sets forth the entrance requirements for graduate admission.

B. DEFINITIONS

See BOR Policy 2.2.1.1 – System General Admissions.

See BOR Policy 2.2.2.1 – Seamless Transfer of Credit.

C. POLICIES AND PROCEDURES

1. Comprehensive Review

Institutions shall institute a process by which prospective graduate students applying to the university are evaluated for admission using measures of achievement and promise while considering the context in which each student has demonstrated academic accomplishment.

- 1.1. University Mission: The mission of the institutions provides specific academic programming that aligns with their Regental mission. The mission statements are found in Section 1.2 of the Board of Regents Policy.
- 1.2. Undergraduate Academic Achievement: Institutions may evaluate the prospective student based on their undergraduate academic accomplishment.
- 1.3. Program of Study: Institutions should evaluate the preparedness of each prospective student for success. If secondary requirements exist due to programming accreditation, those must be met.

2. General Graduate Admission Eligibility

General Admission Eligibility Shall Include:

- 2.1. An earned baccalaureate or master's degree from an institution of higher education accredited by a Council for Higher Education Accreditation (CHEA) recognized national or regional accrediting agency, United States (US) Department of Education recognized institutional accrediting agency, or a comparable degree from a recognized college or university in another country.

- 2.1.1. Students may be admitted and may matriculate in a graduate program while concurrently completing their baccalaureate work where there is a program agreement and with the program's permission.

2.2. A satisfactory academic record as defined by each program.

3. Student Admission Status

- 3.1. Regular Admittance: If a student meets all required elements of the institution, college, and academic unit and program, they shall matriculate with full admission to the institution.
- 3.2. Provisional Admittance: An institution may offer provisional admission.
 - 3.2.1. Students must meet general graduate admission eligibility requirements.
 - 3.2.2. Each institution will establish a time limit on provisional status.
 - 3.2.3. Once the student has satisfied the provisions specified in the offer of admission and submitted all documentation required by the institution or academic program, the provisional qualifier will be removed from the student's record.

4. Graduate Non-Degree Seeking Admission

Universities may offer admission for graduate-level professional development to applicants who wish to enroll in graduate-level courses but who may not wish to complete a graduate degree. See BOR Policy 2.2.1.9.

5. Required Records

- 5.1. University Application: Prospective students as outlined in BOR Policy 2.2.1.1 are required to complete an application for admission.
- 5.2. Post-Secondary Transcript: Transcripts must be submitted by the sending institutions (*prior undergraduate and graduate*) to the receiving institution.
- 5.3. Residency: Students must provide residency per [BOR Policy 3.1.1 - Resident and Nonresident Classification of Students](#) and BOR Policy 2.2.1.1.
- 5.4. Immunization Records: Students must comply with South Dakota Codified Law as outlined in BOR Policy 2.2.1.2.

6. Transfer

See BOR Policy section 2.2.2 on Seamless Transfer and AAC Guideline section 2.2.2. Graduate programs may require additional transfer processes and policies. Prospective students should contact the institutional graduate office for more information.

New BOR Policy 2.7.3.1 – Learning Management System (Second Reading)

CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 2.7.3](#) – Syllabi and the Learning Management System

[AAC Guideline 2.7.3.B](#) – Learning Management System Administration Guideline

BACKGROUND / DISCUSSION

The Board of Regents manages a systemwide learning management solution. This solution is Desire2Learn (D2L). The Academic Affairs Council (AAC) initially developed a guideline to manage the procedural content for the system. However, AAC determined at their December 2023 AAC meeting to move that guideline to a policy. The system requires that each course has an active shell in D2L. Therefore, with the onset of the syllabi policy, this new policy will complement the system solution and the requirements for course content.

The content for this policy will be migrated from the guideline to a new policy.

policy. This policy, in summary, clarifies the role of the system administrator, campus administrator, roles for the students and faculty as well as retention of course content.

IMPACT AND RECOMMENDATION

The Academic Affairs Council (AAC) and Technology Affairs Council (TAC) have reviewed the policy revisions for the second reading and approved these changes. Revisions have been made since the first reading at the August 2024 BOR meeting and are highlighted yellow within Attachment I.

The Board academic staff supports the movement from guideline to policy for the new proposed draft of BOR Policy 2.7.3.1 – Learning Management System.

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Learning Management System

NUMBER: 2.7.3.1

A. PURPOSE

This policy outlines the governance and administration of the Learning Management System (LMS), which serves a vital role in the delivery of course content and instruction to students across all modalities.

B. DEFINITIONS

1. **Board of Regents (“BOR”)**: The constitutional body responsible for governing the Unified System of Public Higher Education in South Dakota, which encompasses its supervision, coordination, management, and regulation. BOR 1.1.1, 1.1.2 and SDCL § 13-49 through § 13-53 provides the authority to govern academic programming.
2. **Regental Institution(s)**: One of the six (6) universities: Black Hills State University, Dakota State University, Northern State University, South Dakota School of Mines and Technology, South Dakota State University, and University of South Dakota.
3. **Instructor of Record (“Instructor”)**: The individual assigned by the institution with overall responsibility for the development and implementation of the course syllabus, delivery of the course, and issuing grades for a given course.
4. **Learning Management System (LMS)¹**: A comprehensive, integrated software-based system that supports the development, delivery, assessment, and administration of courses in traditional face-to-face, blended, or online learning environments.
- ~~5. **Course Catalog**: The student information system catalog for student registration to include the course title, course subject and number, credit hours, instructor of record (if/when assigned), academic term and year, course meeting schedule, building location, delivery method, and campus.~~
5. **Student Information System (SIS)**: The system that manages all student information managed through the Regents Information Systems department of the Board of Regents.
6. **Cross-Listed Sections**: Defined in AAC Guideline 2.4.4.A.

C. POLICY STATEMENTS

¹ 2014, EDUCAUSE. Retrieved from <https://er.educause.edu/articles/2014/4/selecting-a-learning-management-system-advice-from-an-academic-perspective>

1. The BOR utilizes a centralized LMS for all institutions to serve as the primary platform for the delivery of **academic** course content tools used to enhance the teaching and learning environment.
2. Institutions shall provide training for students, faculty, and staff training on the system's LMS. Instructors teaching online courses through the LMS are subject to the training requirements stipulated in [AAC Guideline 2.3.8.B](#).
3. Courses within the LMS shall be made available per [BOR Policy 2.7.3](#).
4. **Instructors may not require students to participate in any assessments or activities before the course's start date in the **Course CatalogSIS**.**
5. Students shall have access to their course(s) up to thirty (30) days after the course's end date in the **Course CatalogSIS**.
6. Institutions shall have their own branding **in the LMS** to uniquely identify their courses; however, institutions must all use the same core navigation and layout as established by the **committeeLMS Management Committee (see Section E)**. This ensures similar student experiences across the Regental system.

D. LMS COMPLIANCE

1. System and institutional policies pertaining to copyright of intellectual property, software and instructional materials govern ownership of course content on the LMS. All copyright regulations will be observed. See also [BOR Policy 4.9.1](#).
2. Family Educational Rights and Privacy Act (FERPA) shall be adhered to in accordance with BOR Policy ([BOR Policy 3.3.1](#), [BOR Policy 3.3.2](#), [BOR Policy 7.7](#)).
3. The LMS shall adhere to the policies on acceptable use [BOR Policy 7.1](#).
4. Integration into the LMS shall adhere to [BOR Policy 7.4](#) as well as internal procedures and practices.
5. Federal laws on assistive technology shall be followed.

E. SYSTEM ADMINISTRATION

The Board of Regents **developed-established a-the** system LMS **management-Management Ceommittee**. Representatives include each institution's LMS administrator and functional staff.

1. The committee reports to the system Academic Affairs Council and the Technology Affairs Council. Therefore, the committee will be co-chaired by one appointee from the Academic Affairs Council (AAC) and one appointee from the Technology Affairs Council (TAC).
2. This committee shall oversee operational decisions and may make policy recommendations to the appropriate council.
3. Each BOR institution may have one academic representative and one technical representative. Each institution shall have only one vote. Additional institutional personnel may participate in an advisory role on the committee.

4. Committee Responsibilities

- Ongoing management and maintenance of the LMS.
 - Developing recommendations as to the proper academic and technical management of the system.
 - Reviewing, recommending, and maintaining the integration of third-party tools.
 - Third-party tools are subject to student privacy, data use and protection, and compliance with applicable BOR policies and guidelines (i.e., [BOR Policy 3.3.1](#), [BOR Policy 3.3.2](#), [BOR Policy 7:6](#), etc.).
 - If there is a cost involved with the add-on or third-party tool, institutions making the request will be expected to secure funding for any one-time and on-going cost.
 - Such integrations may require additional approval from one or more of the BOR standing councils (AAC, BAC, SAC, or TAC).
 - Establishing and managing an archiving/purging process for course and student content within the context of BOR policy for document retention and requirements by system, institutional, departmental, and program accreditors.
 - Periodically reviewing the marketplace to ensure the selected LMS and its integrations continue to meet the future needs of the BOR and its institutions.
5. In addition to management and maintenance, the LMS management committee will develop, maintain, and enforce a consistent interface and experience for all users.
6. The committee shall review, recommend, implement, and manage digital accessibility tools to ensure that content within the LMS is accessible, per federal and state rules, BOR Policies and AAC Procedures.

F. **THIRD-PARTY TOOLS AND FUNCTIONALITY POLICY**

Many vendors produce tools that can be integrated into the LMS. This allows them the capability to link their services and/or materials into the LMS and can provide both faculty and students with supplemental information or functionality to complete coursework.

Requests for integration will go through a process of approval and implementation prior to being available, and if there is a cost associated with a tool, that cost must be justified, and a funding source identified. The LMS Management Committee reserves the right to reject any request for a third-party tool that does not comply with the system standards.

Additionally, Regental Institutions may utilize third-party tools outside of the LMS for other non-academic activities—such as community education, externally-funded activities, etc.—when the LMS does not have the functionality or capabilities necessary to facilitate such activities.

All third-party tools must comply with all applicable BOR Policies and Guidelines, including 7.4, 7.6, and 7.7.

G. **USER ACCOUNTS**

User accounts ~~shall be considered~~ any account created and listed in the learning management system (LMS), making the account available for course, institution, or system use as governed by roles assigned to the account. All members of the Regental community that need access to the LMS will utilize their institutional email and password assigned.

H. USER ROLES AND COURSE ACCESS REQUESTS

The LMS Management Committee (see AAC Guideline 2.7.3.B) manages the LMS and user roles to ensure users have the appropriate level of access. If an individual needs access to a course and is not the instructor of record, they must request access as outlined in the guideline.

I. LMS DESIGNATED USE

1. ~~The LMS shall be used for the following purposes:~~The LMS shall be used to create, manage, and deliver content related to and/or supporting the delivery of credit and non-credit bearing courses, and to facilitate extension services, training, orientation, or other learning and outreach relevant to Regental Institutions.
 - a. ~~Instructors teaching credit or non-credit bearing courses that lead to degrees offered by one of the Regental institutions;~~
 - b. ~~Master Teachers instructing high school courses for the NSU Center for Statewide E-learning;~~
 - c. ~~Employees providing training courses to Regental system employees and/or enrolled students;~~
 - d. ~~Extension services and other outreach offered through Regental institutions;~~
 - e. ~~Students auditing the course and non-students are eligible to take courses using the LMS through the Class Visitor Program.~~
2. [BOR Policy 2.7.3](#) requires institutional courses to have a course shell regardless of modality. Exceptions to this ~~shall be are~~ outlined in [BOR Policy 2.7.3](#)~~that policy~~.
3. Courses in the LMS shall be used to provide the syllabus and is highly recommended to distribute course content, send course notifications, and to manage grades.
4. Grade synchronization with the SIS will be automatically integrated for those faculty who utilize grading in the LMS.
5. Cross-listed ~~courses-sections~~ shall automatically be merged into one (1) course shell. It shall be at the discretion of the instructor of record to use the merged or the individual shells.

J. COURSE PURGING

SIS courses will be purged from the LMS seven (7) years after the end of the course's assignment term, though exceptions will be provided as detailed in the procedural guidelines.

[BOR Policy 6.6](#) – Maintenance and Repair

BACKGROUND / DISCUSSION

According to BOR Policy 6.6 – Maintenance and Repair, projects not on an approved list estimated to cost more than \$250,000 must be submitted for Board approval. Any changes, other than funding realignments and transfers, over \$250,000 to an approved project must be submitted for BOR approval. Below is the list of projects submitted by the Regental institutions.

South Dakota State University

Morrill Hall Data Center Generator Replacement: SDSU is requesting an additional \$280,000 of self-support funds and \$700,000 of general funds for total project funding of \$1,480,000 for data center generator replacement. The project includes replacement of backup generator power, UPS units, and connecting electrical distribution for the data center. Design will be through the standing IDIQ MEP contract. Electrical construction will be publicly bid. Agency labor will also be used for phasing connections. SDSU requests delegation of this project.

University of South Dakota

Muenster University Center: USD is requesting \$1,000,000 of plant funds for renovation of the career & life design center. The project renovates existing space to create a new Career & Life Design Center. The budget includes construction costs, design fees, and other associated costs.

Capital Asset Purchase Greater than \$500,000

CONTROLLING STATUTE, RULE, OR POLICY

[SDCL § 13-49-15](#) – Purchasing and contracting for institutions

[BOR Policy 5.4](#) – Purchasing

BACKGROUND / DISCUSSION

The Board has delegated authority to enter into contracts for the purchase of equipment, supplies, and services to the institutions. Purchases of capital assets with a per-unit cost exceeding \$500,000 must be approved by the Board of Regents prior to a purchase order being issued.

IMPACT AND RECOMMENDATIONS

South Dakota School of Mines and Technology (SDSMT) is requesting to utilize \$1,398,445.00 of grant funds to purchase a Scanning Transmission Electron Microscope (STEM). The STEM is a modern replacement for their current instrument, which is near the end of its useful life and technical support availability. The STEM supports research and training in engineering and science around crystalline materials, including metals, semiconductors, and insulating materials, and is a critical tool for many of these programs.

BACKGROUND / DISCUSSION

The attached list identifies the current capital improvement projects within the Board of Regents system and each project's regental building committee representative, estimated dollar amount, the source of funds, and the current status.

The review and approval of capital improvement projects involves several phases, and Board approval is required before a project may advance from one stage to another. Institutions may request exemption from this approval process for any maintenance and repair project after the preliminary facility statement. As a reminder, the review and approval steps for capital projects are as follows:

1. Submission of Preliminary Facility Statement for Board approval (proposal and justification).
2. Submission of work request for the Office of the State Engineer (OSE) and appointment of the Building Committee if an A/E firm is needed for development of the Facility Program Plan. OSE begins architect evaluation process and the Building Committee interviews and selects the architect.
3. Submission of Facility Program Plan (programmatic justification and detail, identification of financing fund source).
4. Legislative approval is required for all facilities outside of the auxiliary system and can be sought when funding is available or will be part of the Board's Ten-Year Plan.

[SDCL § 13-51-2](#) – Educational Facilities Fund

[SDCL § 13-53-15](#) – Receipt by State Treasurer of Institutional Moneys

[SDCL § 13-53-15.3](#) – Medical School Funds

BACKGROUND / DISCUSSION

The primary source of dollars to fund construction, maintenance, and renovation of university academic facilities is the tuition dollars placed into the Higher Education Facilities Fund (HEFF). Starting in FY17, the percentage contributed to HEFF is 11.5% of all tuition dollars, except for the first \$1,521,740 of medical school tuition revenue, which is not subject to HEFF. HEFF is also assessed on all self-support credit hours as of 2009.

Attachment I is a cash flow statement for the Higher Education Facilities Fund as of October 2024. The statement presents actual and planned revenues and expenditures for FY18 through FY35. The statement includes the following data and assumptions:

- FY18 through FY24 are actuals and FY25 through FY35 are projections.
- FY25 tuition revenue estimates and beyond are based upon FY24 actuals with no tuition increase in FY25 and stable enrollments.
- Interest earnings of three percent on the unobligated cash balance for FY25 including \$3.0M to \$4.0M of unspent maintenance and repair funds thereafter.
- A change from principal only payments on the SDSU Performing Arts Center to principal and interest in FY22, results in a \$510,000 increase in HEFF obligations.
- Bonding \$10.5M in capital projects in FY22 and \$12.5M in FY27 at four percent interest for 25 years. This bonding would complete the 2012 Ten-Year Capital Plan.

The 11.5% of tuition revenues generated for FY24 were \$561,912 higher than the projection from October 2023 – a variance of approximately 2.1%

INFORMATIONAL ITEM

The ending cash assumes that the campuses will catch up on their M&R expenditures in FY25 by spending all the obligated funds except \$3,000,000. The drop in ending cash from 2024 to 2025 reflects that assumption. Because annual revenues do not come in until September, the cash balance at fiscal year-end must be sufficient to pay approximately one-half of the annual lease payment which is due in August. Debt capacity and cash flows must both be considered prior to issuing new debt. We would only fund projects when capacity is available to debt service the leases and when sufficient cash is available to meet the annual debt payment.

During the 2024 legislative session, an additional \$16,834,604 was allocated to the Board of Regents for HEFF bonded debt retirement. This allocation was intended to free up an equivalent amount for maintenance and repair projects across the campuses. Consequently, in FY25, lease payments are now \$0, and over \$35.8 million is available for M&R expenditures.

IMPACT AND RECOMMENDATIONS

The remaining projects on the 2012 Ten-Year Plan can be found in Attachment II. Based on current assumptions and revenues, the final \$12.5M will be bonded in FY27. If this timeline holds true, it will have taken us 15 years to complete the projects that we originally thought we had the cash flow to complete in 10 years.

Notes:

1. Fiscal years 2018-2024 are actuals.
2. 3.0% interest earnings calculation based on the ending cash balance plus unexpended M&R funds.
3. FY25 and each year thereafter, tuition revenue is increased by 2.0% due to increased enrollments.
4. Additional capital projects of \$12.5M would be bonded in FY27. This would complete the 2012 Ten-Year Capital Plan.
5. All figures for periods after FY24 are estimates.
6. In FY25, \$16,834,604 in one-time General Funds were authorized to make HEFF bonded lease payments, and in turn, use the lease payments to fund additional deferred M&R projects.
7. Reduction of "Reserve" balance to \$3.0M for FY22-FY29. This also includes reductions in HEFF allocations for those years.

BACKGROUND / DISCUSSION

To streamline the curriculum review process, the Board of Regents authorizes the university Vice Presidents of Academic Affairs to approve minor course modifications and minor program modifications. The requirements for this process are established in AAC Guidelines approved by the Academic Affairs Council. The campuses are required to provide an annual summary to the System Vice President for Academic Affairs, which is forwarded on to the Board for information.

Typically, minor course modifications may include the following:

- Course numbering
- Title
- Course prerequisite
- Course description (when it does not change course content)
- Decrease in hours of credit
- Course deletion
- Experimental courses

The minor program modifications may include the following:

- Course deletion
- Course addition
- Revised courses

DRAFT MOTION 20241002_6-A:

I move to approve the strategic plan for the South Dakota Services for the Deaf, as presented.

SDSD

South Dakota Services for the Deaf

STRATEGIC PLAN

2024 - 2027

MISSION

South Dakota Services for the Deaf – Partners in education for children who are Deaf and Hard of Hearing.

VISION

It is the vision of South Dakota Services for the Deaf to provide specialized educational services and resources for South Dakota children who are Deaf and Hard of Hearing, leading to their full and active participation in the community.

CORE ORGANIZATIONAL VALUES

WE BELIEVE:

Every child has the right to access the tools they need to grow and live a successful life.

WE VALUE:

That children who are Deaf and Hard of Hearing have the right to full and active participation in social and educational experiences in their homes, schools, and communities.

WE ASSURE:

A connection and collaboration with parents, families, schools, health care providers, and others to support children who are Deaf and Hard of Hearing.

WE DEDICATE:

Our time and talents to furthering knowledge and best practices in understanding the educational, cultural, medical, and social needs of children who are Deaf and Hard of Hearing.

STRATEGIC PRIORITY 1:

Service Capacity

Build capacity of SDSD and strengthen collaborative partnerships to meet the unique needs of children who are Deaf and Hard of Hearing across the state.

GOALS:

- Develop enriching experiences for students and their families, including communication immersion and social activities for children and families through in-person and virtual opportunities.
- Enhance SDSD services by providing consultative support to school districts and families to meet the needs of students.
- Expand SDSD services to meet the unique communication, social, emotional, academic, and cultural needs of students through virtual direct services.
- Increase staffing in SDSD Outreach and Audiology Departments to accommodate the needs of a growing population that can benefit from SDSD's services.
- Partner with higher education institutions in South Dakota and other states to establish a network of credentialed educational resources, ensuring trained personnel are available to support the needs of students.

STRATEGIC PRIORITY 2:

Brand Promise

Raise local, state, and national awareness of SDSD's roles and responsibilities as a vital resource for children, families, and educational teams.

GOALS:

- Continue to increase SDSD's presence through social media, public policy, and public information to educate South Dakota communities about SDSD's expertise in serving children who are Deaf and Hard of Hearing.
- Continue to develop an evolving presence of accessible resource materials, educational materials, social supports, and related materials supporting children, families, and schools.

STRATEGIC PRIORITY 3:

Transitions from Birth through High School

Establish a center of excellence in transitional support services spanning various developmental phases for children in South Dakota from birth through high school graduation.

GOALS:

- Support continued education to enhance the capacity of SDSD outreach consultants and audiology personnel to support the needs of children who are Deaf and Hard of Hearing.
- Develop transition resource materials for distribution in all transition stages.

STRATEGIC PRIORITY 4:

Audiology Access

Expand and provide equal access to audiology services across the state.

GOALS:

- Continue to increase collaborative partnerships and efforts related to hearing detection intervention.
- Provide statewide awareness and education regarding the impact of audiology screenings provided by the SDSD Audiology Program.
- Prioritize the accessibility of audiology services in rural areas.
- Develop and promote materials, resources, and tools for schools and parents to meet the audiology service needs of South Dakota children ages birth through 21, specifically educational audiology needs.

Revised BOR Policy 2.3.8 – Distance Education (First and Final Reading)

CONTROLLING STATUTE, RULE, OR POLICY

[BOR Policy 2.4.5](#) – Externally Funded Courses for Academic Credit

[AAC Guideline 2.3.8.A](#) – Student Location

[AAC Guideline 2.3.8.B](#) – Online Course Quality Assurance

AAC Guideline 2.3.8.C – Programs Leading to Professional Licensure/Certification

BACKGROUND / DISCUSSION

This policy has as been updated to include references to the new professional licensure program federal regulations, as well as the proposed AAC Guideline 2.3.8.C – Programs Leading to Professional Licensure/Certification. Previously, there was general language about licensure programs, but this reference adds more specificity and allows us to tie the new AAC guideline to an existing BOR policy. This revision can be found on the second page of the policy and has been updated to the following:

- 2.3. For academic programs that lead to licensure and certification, personnel with direct oversight of the academic program are responsible for assessing compliance with the licensure and certification requirements for ~~states outside of South Dakota all states and territories. Alignment of program requirements to states outside South Dakota shall be shared by program personnel with continuing education and admission offices at the respective campus. Institutions must comply with all federal regulations, especially as it pertains to student admission into distance education professional licensure programs. BOR processes are outlined in AAC Guideline 2.3.8.C – Programs Leading to Professional Licensure/Certification.~~

This policy update is to align the language to new federal regulations, therefore, a request for a first and final reading approval is recommended.

IMPACT AND RECOMMENDATION

The Academic Affairs Council (AAC) approves of this change.

Board academic staff supports the recommended revisions to BOR Policy 2.3.8 – Distance Education.

(Continued)

DRAFT MOTION 20241002_6-B:

I move to (1) waive the two-reading requirement of By-Laws Section 5.5.1, and (2) approve the first and final reading of the proposed revisions to BOR Policy 2.3.8 – Distance Education, as presented.

Attachment I – Proposed Revised Draft of BOR Policy 2.3.8 – Distance Education

SOUTH DAKOTA BOARD OF REGENTS

Policy Manual

SUBJECT: Distance Education

NUMBER: 2.3.8

A. PURPOSE

To regulate the programs and courses offered for college credit through correspondence, electronic delivery, and off-campus delivery, in order to provide broader access to credit bearing college level educational opportunities and to assist communities in making effective use of the resources of South Dakota's public universities.

B. DEFINITIONS

1. **Distance Education Course:** As defined by federal regulations¹, distance education courses use one or more of the technologies listed below to deliver instruction to students who are separated from the instructor or instructors and to support regular and substantive interaction² between the students and the instructor or instructors, either synchronously or asynchronously. The technologies that may be used to offer distance education include: 1.) the internet, 2.) one-way and two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite, or wireless communications devices, 3.) audio conference, or 4.) other media used in course in conjunction with any of the technologies listed previously. As further defined by SARA policy, distance education also includes interactive video and correspondence courses or programs. Additionally, refer to AAC Guideline 2.4.3.B – Delivery Method Code Guidelines.
2. **Distance Program:** Any academic program (i.e., certificate, minor, or major) with curriculum approved by the Board of Regents to be offered through correspondence or online delivery.
3. **Off-Campus Center:** Any location approved by the Board of Regents other than the six designated campus locations where programs (certificate, minor, or major) are offered by one or more institutions within the system to meet demand within the area served.

¹ 34 CFR § 600.2

² Per federal regulations, when used in the definition of “distance education”, “substantive interaction” means: “engaging students in teaching, learning, and assessment, consistent with the content under discussion, and also includes at least two of the following: (i) Providing direct instruction; (ii) Assessing or providing feedback on a student's coursework; (iii) Providing information or responding to questions about the content of the course or competency; (iv) Facilitating a group discussion regarding the content of a course or competency; or (v) Other instructional activities approved by the institution's or program's accrediting agency.

C. POLICY

1. Applicable Policies, Standards and Guidelines

Unless specifically exempted, all Board and campus policies, standards and guidelines for on campus instruction, including admissions requirements, course evaluation requirements, course prerequisites, faculty qualifications, access to appropriate student support services and instructional equipment, and student rights and responsibilities, also apply to distance education instruction.

2. Administration

- 2.1. All distance education programs and courses, including correspondence study, should be coordinated in each institution under one authority.
- 2.2. Campuses should engage established curriculum processes for planning and executing distance education courses and programs.
- 2.3. For academic programs that lead to licensure and certification, personnel with direct oversight of the academic program are responsible for assessing compliance with the licensure and certification requirements for ~~states outside of South Dakota~~ all states and territories. ~~Alignment of program requirements to states outside South Dakota shall be shared by program personnel with continuing education and admission offices at the respective campus. Institutions must comply with all federal regulations, especially as it pertains to student admission into distance education professional licensure programs. BOR processes are outlined in AAC Guideline 2.3.8.C – Programs Leading to Professional Licensure/Certification.~~
- 2.4. For all academic programs that have field experiences, internships, cooperative education, or practica required for degree completion that occur outside South Dakota, personnel with direct oversight of the academic programs shall share information regarding these “learning placements and opportunities” with continuing education offices at the respective campus for state authorization reporting purposes.

Board of Regents approval is required to offer and market distance programs and programs offered at off-campus centers.

3. Faculty

3.1. Qualifications and Appointment

- 3.1.1. Individuals who are not regular faculty members and who are appointed to teach a distance education course must meet the same qualifications as members of campus faculty. All such appointments must have the approval of the appropriate Dean(s) and the institutional Chief Academic Affairs Officer prior to employment being offered or the course being scheduled. University policies may also require approval at the department level.
- 3.1.2. The person teaching the course and meeting classes must be the individual whose name appears on the grade report (class roster) in the office of the registrar. Any exceptions to this policy must be approved by the institutional Chief Academic Affairs Officer.

3.1.3. Only persons that the institution has approved as graduate faculty may teach graduate courses. Only persons with terminal degrees, or in special cases exceptional scholarly qualifications, may teach 700 level courses. In the latter case, exceptions must be approved by the institutional Chief Academic Affairs Officer or designee. Each course taught for graduate credit at the 500 or 600 level by faculty who do not hold a terminal degree, instructor rank, or graduate faculty standing on a campus must have the approval of the institutional Chief Academic Affairs Officer or designee.

3.2. Evaluation

Board of Regents and university policies governing faculty evaluation, including student evaluation of instruction, apply to off campus and distance education courses.

3.3. Compensation

Faculty compensation shall be consistent with Board Policy 4.4.5 – Faculty Compensation.

4. Courses

4.1. Requirements

Institutions must be able to demonstrate that graduate and undergraduate courses have intellectual demands and requirements comparable to graduate and undergraduate courses offered on campus. Distance education courses shall have equivalent standards, rigor, student outcomes, substance and assignments as courses offered on campus.

4.2. Assessment

4.2.1. Course and instructional program assessment policies of the university transcribing the course apply to off campus and distance education instruction.

4.2.2. All courses using electronic delivery must comply with system Quality Assurance evaluation requirements and be evaluated at least once every three years, consistent with the requirements of AAC Guideline 2.3.8.B(1)(A-1) – System-Wide Quality Assurance Rubric and AAC Guideline 2.3.8.B(1) – Online Course Quality Assurance Guidelines.

4.3. Class Schedules

4.3.1. The time and place for scheduling distance education classes shall be determined by each institution. The schedule for course and program offerings shall be approved by the institutional Chief Academic Affairs Officer.

4.3.2. Distance education courses in which instruction is face-to-face shall be offered over a period of time which allows for appropriate levels of instruction and out-of-class study and reflection. The adequacy of calendar and instructional contact time shall be evaluated by the following measures: (1) number of instructional contact hours, (2) number of days on which the instructor meets with the class and (3) the total length of time from the first

to the last class meeting. The following criteria shall be considered standards. Any practice that deviates downward from these standards must be approved by the institutional Chief Academic Affairs Officer.

4.3.2.1. Contact Hours: As specified in Board Policy 2.4.3 – Definition and Assignment of Credit Hours, one credit hour requires a minimum of fifteen (15) contact hours. A contact hour is fifty (50) minutes of instruction time. A minimum of thirty (30) hours of student homework is required for each credit hour.

4.3.2.2. Instructional: One credit hour of academic work may be awarded for instruction spanning at least three calendar days.

4.3.3. Distance education courses may be scheduled on a semester basis and require that students complete learning experiences on a particular timeline (i.e. each week). Also, distance education courses may be offered asynchronously to allow students maximum flexibility in participation. Asynchronous courses may or may not necessarily be offered on a semester basis. The required length for a distance education course is determined by course expectations and scheduling. Typically, a one credit hour course lasting for a semester equates to 45 hours of engagement by the student.

5. Intellectual Property

Universities shall ensure compliance with copyright laws and all Board policies concerning intellectual property, including Board Policy 4.9.1 – Intellectual Property.

6. Access to Appropriate Academic and Student Services

6.1. Books, journals and other library resources that are necessary to conduct a course on campus must also be available in a convenient manner to students enrolled in a distance education course. These resources may be provided by the home campus library, by local public libraries, by agreements with other cooperating institutions, and/or electronically.

6.2. All distance education related activities shall ensure that students have access to appropriate advising, counseling, and academic support assistance.

7. Contracting with Agencies Outside the Board of Regents

Refer to Board Policies 2.4.5 – Third Party Requests for University Credit, 5.5 – Tuition and Fees, and 5.17 – Instructional Funding.

8. Courses Sponsored by Another Regental Institution

8.1. A university may agree to sponsor a course taught by another university and delivered electronically to the sponsoring university's campus or to another site at which the sponsoring university is authorized to offer the instruction. Board Policy 5.17 (Instructional Funding) and 5.18 (Off-Campus State-Funded Programs and Courses) apply when a sponsored course is received at an off-campus location.

8.2. The university that requests to receive a course delivered electronically by another university is the "sponsoring" university. The university whose faculty member is

teaching the course delivered electronically to the sponsoring university is the "originating" university.

- 8.3.** The sponsoring university shall have a course that is equivalent to the course being taught at the originating university or may use variable topics to offer the course as an elective in an approved degree program.
- 8.4.** Authorization to sponsor a course delivered electronically from another Regental university does not constitute an alternative procedure for obtaining Board approval for new courses or programs.
- 8.5.** The sponsoring university shall register students for its own course and collect tuition as if it were teaching the course. The originating university shall register students taking the course on its campus and collect tuition and according to its usual procedures. Refer to Board Policy 5.5 – Tuition and Fees: General Procedures.
- 8.6.** The sponsoring university and the originating university shall agree in advance and in writing on the compensation to be paid to the originating university by the sponsoring university and on the responsibilities of each institution for library resources, instructional equipment and supplies, access to the instructor, personnel at the sponsoring university, faculty evaluation, and for compliance with other Board policies.
 - 8.6.1.** The originating university is responsible for payment of charges related to electronic delivery unless otherwise provided in the written agreement.
 - 8.6.2.** Procedures for handling complaints and grievances from students follow the process of the originating institution in collaboration with the institutional Chief Academic Affairs Officer at the sponsoring institution.
- 8.7.** A course offered as a sponsored course at one or more sites may be offered to one or more additional sites if such arrangements are provided for in the written agreement between the sponsoring and originating universities.
- 8.8.** Universities may negotiate sponsored course agreements with regionally accredited non-system institutions.
 - 8.8.1.** Such agreements shall be included on the interim action reports prepared by the Executive Director for the Board at their regularly scheduled meeting.
 - 8.8.2.** Universities shall not advertise or participate in the advertising of any electronically delivered course, register students for any course, or enter into any contracts for the purpose of implementing a sponsored course agreement with non-system institutions prior to approval by the Board.
 - 8.8.3.** Actions by the non-regental institution prior to Board approval do not establish any Board or university obligations.

DSU-Applied Research Corp (DARC) Annual Meeting

CONTROLLING STATUTE, RULE, OR POLICY

[SDCL chapter 5-29](#) – Research Parks

BACKGROUND / DISCUSSION

This meeting serves as the time and place for the DSU-Applied Research Corp (DARC) annual meeting. The annual meeting is when the Board appoints directors to the Board of Directors of DARC. During the October 2023 Board of Regents meeting, and pursuant to the bylaws of DARC, “[a]fter the initial one-year term for all directors, as close to as possible equal proportions of Directors shall be appointed to a one (1) year term; a two (2) year term and a three (3) year term, so that there are staggered terms.”

The Board approved Sara Venhuizen and Miles Beacom be reappointed to serve three-year terms, that Nathan Lukkes and Jose-Marie Griffiths be reappointed to serve two-year terms, and that Andrea Thompson be reappointed to a one-year term. Andrea Thompson is recommended to be reappointed to serve a three-year term. This will result in five board members, which is within the 5-9 member range permitted by the bylaws.

IMPACT AND RECOMMENDATION

The Board of Directors recommends and requests the Member (BOR) take the following action:

- Reappoint Andrea Thompson to serve a three-year term on the Board of Directors of DARC.

SUBJECT

FY26 Dakota Advantage Rate Proposal for Capped Graduate Programs at SDSU and USD

CONTROLLING STATUTE, RULE, OR POLICY

[SDCL § 13-53-6](#) – Tuition Rates and Fees

BACKGROUND / DISCUSSION

In December 2023, the South Dakota Board of Regents (SDBOR) approved expanding its South Dakota Advantage and Child of Alumni rates to qualifying students pursuing non-capped graduate programs at SDBOR campuses. Qualifying students are those meeting both the following criteria:

- From a South Dakota Advantage state or are a Child of Alumni; AND
- Received an undergraduate degree from an SDBOR institution.

Campuses provided supporting information to demonstrate that anticipated revenues from graduate enrollment growth from SD Advantage states would offset (or exceed) reduced revenues from offering the lower resident tuition rates. Specific professional graduate programs having unique/higher non-resident tuition rates and class size caps were excluded from the initial expansion as the revenue losses from offering resident tuition rates were substantial and could not be made whole through increased program enrollments.

(Continued)

MOTION 20241002_7-B:

I move to approve expansion of the South Dakota Advantage Graduate Tuition Program to include 1) a USD graduate tuition rate set at 175% of the resident tuition for Occupational Therapy (OT), Physical Therapy (PT), Physician Assistant (PA), Medical Doctorate (MD) and Law graduate programs; 2) an SDSU Veterinary Medicine 2+2 rate at 154% of the resident rate with fees matching the non-resident Vet 2+2 rates; and 3) an SDSU PharmD rate at 165% of the resident rate,.

These tuition and fee rates would be effective starting Summer 2025 and will apply to new, qualifying students from a South Dakota Advantage state or those who are Children of Alumni and have earned an undergraduate degree from an SDBOR institution.

USD's Occupational Therapy (OT), Physical Therapy (PT), Physician Assistant (PA), Medical Doctorate (MD) and Law (JD) graduate programs, as well as SDSU's Doctorate of Pharmacy (PharmD) and Veterinary Medicine 2+2 were excluded pending further review and consideration of an appropriate rate that would allow for the expansion of SD Advantage to these capped programs while mitigating any negative revenue impacts.

For FY26, both USD and SDSU are proposing to offer unique SD Advantage Graduate tuition rates to new incoming qualifying students in these programs that, while not equal to the resident tuition rate, are lower than the current full non-resident tuition rates. The need and benefit of offering these new rates is to reduce or eliminate exporting SD Advantage or Child of Alumni undergraduates interested in pursuing these graduate programs to other states and to increase the likelihood that they will remain in the state for graduate education and beyond, continuing SDBOR's commitment to workforce development in critical areas.

University of South Dakota

USD has five professional graduate programs with unique/higher non-resident tuition rates and class caps presently excluded from the SD Advantage Graduate program - Occupational Therapy (OT), Physical Therapy (PT), Physician Assistant (PA), Medical Doctorate (MD) and Law (JD) graduate programs. With capped class sizes and high delivery costs, offering resident tuition rates to qualifying non-resident students from SD Advantage states is not financially viable. However, with current non-resident rates at 240% to 266% of resident rates (depending on program), retaining SDBOR undergraduates interested in pursuing these programs is immensely challenging. In an effort to expand SD Advantage to these graduate programs while minimizing adverse fiscal impact to program revenues, USD proposes to offer qualifying new incoming students in these programs a tuition rate that is equal to 175% of the respective programs resident tuition rate.

Current resident and non-resident and proposed SD Advantage tuition rates for these programs are reflected below.

		Rate	Rate Differential
OT, PT, PA Tuition Rate - Per Credit Hour			
Current	Resident	\$340.15	
Current	Non-Resident	\$888.10	261%
Proposed	OT, PT, PA SD Advantage	\$595.26	175%

		Rate	Rate Differential
MD Tuition Rate – Annual			
Current	Resident	\$32,105	
Current	Non-Resident	\$76,935	240%
Proposed	MD SD Advantage	\$56,184	175%

FY26 Dakota Advantage Rate Proposals for Capped Graduate Programs at SDSU and USD

Page 3 of 6

		Rate	Rate Differential
Law School Tuition Rate – Per Semester			
Current	Resident (or NR with 150+ LSAT)	\$5,868	
Current	Non-Resident	\$15,638	266%
Proposed	Law SD Advantage	\$10,269	175%

As with the existing SD Advantage Graduate Program, qualifying students are those meeting both the following criteria:

- From a South Dakota Advantage state or are a Child of Alumni; AND
- Received an undergraduate degree from an SDBOR institution.

Utilizing current (FY25) and proposed SD Advantage tuition rates, applicable FY25 fees rates and program credit hours, a comparison of total program costs is reflected below.

Occupational Therapy (OT) – 114 Total Credits					
		Tuition	Fees	Total	Avg per CrHr
Current	Resident	\$38,777	\$17,492	\$56,269	\$494
Current	Non-Resident	\$98,903	\$17,492	\$116,395	\$1,021
Proposed	SD Advantage	\$65,309	\$17,492	\$82,801	\$726

Physical Therapy (OT) – 126 Total Credits					
		Tuition	Fees	Total	Avg per CrHr
Current	Resident	\$42,859	\$19,520	\$62,379	\$495
Current	Non-Resident	\$110,028	\$19,520	\$129,548	\$1,028
Proposed	SD Advantage	\$72,962	\$19,520	\$92,482	\$734

Physician Assistant (PA) - 104 Total Credits					
		Tuition	Fees	Total	Avg per CrHr
Current	Resident	\$35,376	\$14,860	\$50,235	\$483
Current	Non-Resident	\$88,150	\$14,860	\$103,009	\$990
Proposed	SD Advantage	\$57,315	\$14,860	\$72,175	\$694

Medical Doctorate (MD) – 166 Total Credits					
		Tuition	Fees	Total	Avg per CrHr
Current	Resident	\$128,420	\$8,218	\$136,638	\$823
Current	Non-Resident	\$307,740	\$8,218	\$315,958	\$1,903
Proposed	SD Advantage	\$224,735	\$8,218	\$232,953	\$1,403

Law School (JD) - 90 Total Credits					
		Tuition	Fees	Total	Avg per CrHr
Current	Resident	\$35,208	\$14,841	\$50,049	\$556
Current	Non-Resident	\$93,828	\$14,841	\$108,669	\$1,207
Proposed	SD Advantage	\$61,614	\$14,841	\$76,455	\$850

For these USD programs, offering a SD Advantage tuition rate that is 175% of the resident rate will offer competitive pricing for qualifying students, particularly when compared to non-resident costs at other institutions in SD Advantage states.

Attachment I provides expanded details regarding USD's current resident, non-resident and proposed SD Advantage costs as compared to regional competitors for OT, PT, PA, and Law as well as all public medical schools for the MD program.

In short, below recaps (in brief) where the SD Advantage tuition and fees fall (percentile) when compared to regional competitors for OT, PT, PA, and Law and for all US public medicals schools for MD:

	# of Institutions	Percentile Compared to Resident Tuition & Fees	Percentile Compared to Non-Resident Tuition & Fees
OT	32	< 35	< 10
PT	50	< 45	< 15
PA	42	< 30	< 10
Law	12	< 40	< 10
MD – Public All*	93 / 89	< 99	< 40

* USD's SD Advantage MD would be lower than ten out of eleven programs in SD Advantage states when compared to non-resident tuition and fees.

South Dakota State University

SDSU has two professional graduate programs with unique/higher non-resident tuition rates and class caps presently excluded from the SD Advantage Graduate program – Veterinary Medicine 2+2 and PharmD graduate programs.

Veterinary Medicine 2+2

The South Dakota – Minnesota Tuition Reciprocity agreement for the Veterinary Medicine 2+2 program will be concluded for students entering the program beginning 2025-26 by decision of the University of Minnesota. Students currently enrolled in the Veterinary Medicine 2+2 program will have terms of the current South Dakota – Minnesota Tuition Reciprocity agreement honored. If no alternative action is taken, beginning in 2025-2026, Minnesota residents attending SDSU for their first two years of the Veterinary Medicine 2+2 program will be assessed at the Non-Resident

rate. After careful analysis, SDSU proposes a new SD Advantage rate of tuition and discipline fees for the Veterinary Medicine program at SDSU. The proposed rate would assess tuition equal to 154% of the resident rate (80% of the non-resident rate) for SD Advantage students and discipline fees equal to the non-resident discipline fee rate. The proposed rate structure will enhance program competitiveness in recruiting a strong cohort in a capped program of 40 students, while still generating tuition and fee revenues necessary to maintain a premier program. The proposal includes no changes to the tuition structure for SD Resident students or for other Non-Resident students outside of SD Advantage states at South Dakota State University. Of note, South Dakota residents will be assessed the University of Minnesota (UofM) Non-Resident rate for the second two years of the program, when they are enrolled at the UofM, necessitating additional scholarship support for South Dakota students in the program, dispersed through SDSU.

Veterinary Medicine 2+2 Program – Per Semester				
		Tuition	Fees	Total
Current	Resident	\$9,439	\$5,540	\$14,979
Current	Minnesota	\$9,439	\$5,540	\$14,979
Current	Non-Resident	\$18,150	\$9,789	\$27,939
Proposed	SD Advantage	\$14,520	\$9,789	\$24,309

The proposed tuition structure would allow SDSU to maintain a competitive price point in the region. Both Minnesota students and other SD Advantage students would enjoy a price point lower than the non-resident rates for students enrolled in the Veterinary Medicine program. This reduction in price would save students from Minnesota, Iowa and other SD Advantage states \$7,260 per year.

PharmD

Similar to the Veterinary Medicine program, the Pharm D program at SDSU is impacted by the elimination of the South Dakota – Minnesota reciprocity agreement. After careful analysis, SDSU proposes a new SD Advantage rate of tuition equal to 165% of the resident rate (77% of non-resident rate) for qualifying students. The proposed rate structure will enhance program competitiveness in recruiting a strong cohort in a capped program of 65 students, while still generating tuition and fee revenues necessary to maintain a premier program. The proposal includes no changes to the tuition structure for SD Resident students or for other Non-Resident students outside of SD Advantage states at South Dakota State University.

Pharm D – Per Semester				
		Tuition	Fees	Total
Current	Resident	\$5,096	\$4,245	\$9,341
Current	Minnesota	\$7,803	\$4,245	\$12,048
Current	Non-Resident	\$10,903	\$4,245	\$15,148
Proposed	SD Advantage	\$8,409	\$4,245	\$12,654

The proposed tuition structure would allow SDSU to maintain a competitive price point in the region. Both Minnesota students and other SD Advantage students would enjoy a price point lower than the non-resident rates for students enrolled in the Pharm D program. This reduction in price would save students from Minnesota, Iowa and other SD Advantage states \$4,989 per year.

The financial modeling for the new SD Advantage rate indicates a net loss of \$85,379 across the current PharmD student body. However, with a capacity for 65 students and only 60 currently enrolled, admitting just two additional students will offset the reduction in rate, making the program self-sustaining through the recruitment of new students.

Graph 1: Tuition & Mandatory Fees Charged to Students Attending the SDSU Veterinary Medicine 2+2 Program

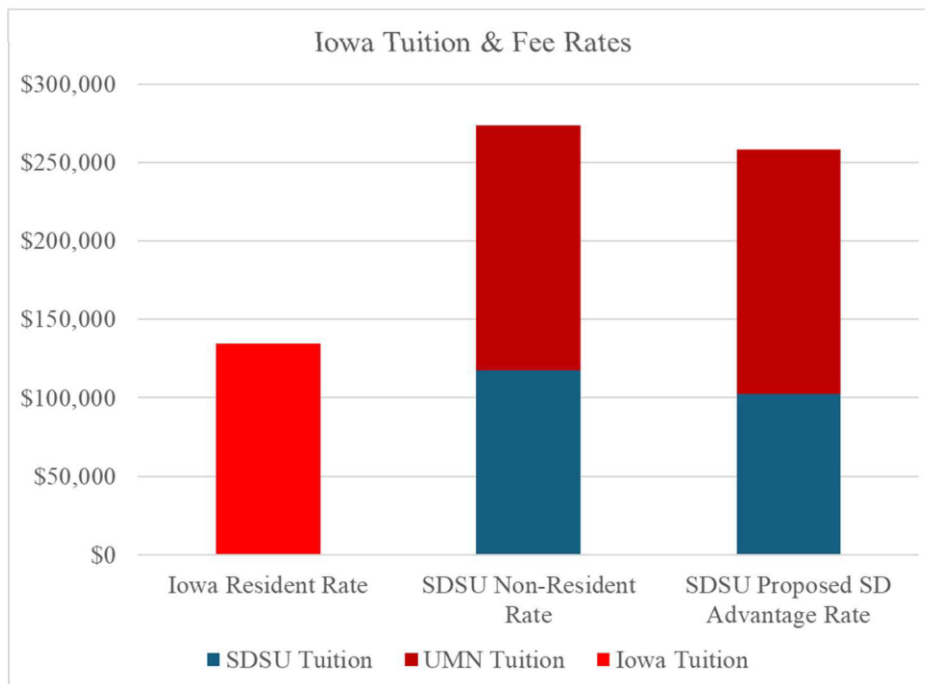

Note: Year 3 & 4 tuition rates for South Dakota State University students are controlled by the University of Minnesota. South Dakota residents are assessed the non-resident rate by the University of Minnesota.

Graph 2: Price Point of Minnesota Resident students at the U of M vs SDSU Non-Resident rate vs SDSU SD Advantage rate

Graph 3: Price Point of Iowa Resident students at Iowa State Vs. SDSU Non-Resident rate vs SDSU SD Advantage rate

Graph 4: Nebraska Resident: SDSU Non-Resident rate vs SDSU SD Advantage rate vs MN Non-Resident vs Iowa Non-Resident

Nebraska does not currently have a Veterinary Medicine program, but does have a relationship with Iowa State University to deliver the program to Nebraska students at resident rates.
